

TRAVEL STUDY/EXCHANGE PROGRAMS

The Board of Education recognizes the importance of enhancing the educational experiences of students beyond the typical school day or curricular provision. International student Travel Study /Exchange Programs are encouraged as a means to allow our students to have contact with young people from other countries.

Any proposed program and its participant(s) shall be required to comply with all insurance requirements as determined by the District. Any associated insurance costs shall be the responsibility of the participants and their parent(s)/guardian(s).

Any student participating in a Travel/Study exchange Program shall be responsible for meeting all New York State and South Colonie central School District graduation requirements.

By the direction of the Board of Education, the Superintendent and or his or her designee, has the authority to approve travel study/exchange programs by students in support of the academic studies, which are supplemental to the curriculum offered at the District.
