5. NEW BUSINESS

Ms. Gigliello wanted to say thank you on behalf of the Board of Education to the community for passing the school budget vote and for electing two new board members. Welcome to Mr. Bob Mesick and Mr. Chris Larrabee. She also wanted to thank Mr. Johanning for his 16 years of service and Mr. Sim for his 10 years of service. They will be greatly missed and we wish them the best! Raiderfest was a huge success. The students, advisors, administrators and many volunteers did a wonderful job!

Mr. Ryan had the opportunity to attend the Lishakill Memorial Day service, along with Ms. Gigliello and Mr. Keane. It was great to see the kids all gathered together and felt a bit normal. It was a great day to honor our veterans.

Mr. Keane was able to see Aimee Brunelle in action, who take care of two issues over the course of three games. She did a great job and takes great care of our student athletes. He also wanted to thank Kristin Mesick for an outstanding job in her role as guidance counselor. These last few months have been difficult in so many ways and he is eternally grateful for the work that she has done. His hope is that we are getting the same response across the board. With the school year coming to an end, he is hoping there will still be something available for kids who need that mental health support. Dr. Perry stated that we do have counselors on summer hours and we can certainly look at advertising the available hours so that families are aware. Mr. Keane also wanted to address the dress code. He had some parents reach out to him and he encouraged them to reach out to the school. The issue seems centered around their daughters getting dress coded. He feels we need to review the processes and enforcement so that we do not come across sexist and unbalanced. Dr. Perry stated that the Policy Committee is currently reviewing the Code of Conduct and Mr. Johanning stated that dress code is on the list, as well as hairstyles. There is new guidance from SED.

Ms. Cogan also attended Raiderfest and said it was terrific. She also attended Senior Night for Girls Lacrosse and said it was a wonderful night. Ms. Cogan said the NYSSBA retreat on May 18th was very worthwhile. She also did a 4 hour workshop on Civil Discourse, which was very interesting and she will share information with the Board. The car show and the trade show lucked out with a gorgeous night. It was great to see so many cars and so many people out!

6. OLD BUSINESS

Mr. Johanning inquired about the status of membership and structure of district committees. Dr. Perry stated that we do not currently have term limits on the building level committees. For the district working committees, such as Safe Schools, Reopening Committee, and Diversity, Equity & Inclusion we have sought representatives from a community survey that was generated during the winter. We do not currently have term limits for these committees but do typically have a two year rotation. Parent representatives were chosen at random using the list of volunteers who expressed interest. Each volunteer was assigned a number and the numbers were randomly drawn to determine who would be selected. We do need to work on the charge of these committees and get them in writing. Mr. Johanning also wanted to discuss the pros and cons of the structure of BOE Elections. This will be discussed during the next Policy Committee meeting but he thought it would be good to get everybody's thoughts and not just the Policy Committee. Currently we require candidates to run for a specific seat. An alternate method would be to have an "at large" election. A third method may be to have 5 seats designated to each of the 5 elementary zones and the other 4 seats be at large. He is not sure if we are able to do this but it was a thought and something we may want to look into. There are pros and cons to each of the methods. Mr. Kiehle stated that we should get guidance from NYSSBA as to what the pros and cons would be and that he feels there must be good reason why we have done it this way for so long. Me. Johanning will reach out to NYSSBA and get something together and out to the Board. Mr. Keane feels that the public will probably have some opinion on the topic.
