Black History Projects

STAR will be celebrating *Black History Month* by completing school-wide projects! **All scholars will receive a project grade for their participation.** It is important to note that teachers will provide limited time in class to research and gather information. However, the majority of the project will be completed at home. Please review the project description/information below.

Black History Spirit Week 2023

Beginning **Monday, February 27th- Friday, March 3rd**, STAR will be celebrating "**Black History Spirit Week!**" Each day is themed and will include an opportunity for our school community to celebrate the conclusion of a great month.

Please adhere to the logistics below:

Monday

Black Excellence Day: Honoring the Legacy

Since Monday is usually our Professional Dress day, what better way to spend the last Monday of Black History Month than to dress out as a notable Black figure? STAR Academy students, faculty, and staff are encouraged to dress up as their **favorite African-American role-model/influencer.**

Tuesday

HBCU Gear Day

Today we celebrate Historically Black College and Universities by wearing parapheniala (shirts, jackets, hats, etc) with uniform bottoms.

Wednesday

An Ode to Africa

Today we celebrate our connection to the land and cultures of the African continent by wearing any African garment (e.g. headwraps, dashikis, etc.).

Thursday

#BlackSuperheroes: Saving the World

The entire STAR Academy Family will dress out as their favorite superhero (accessories only) of color or as an original superhero made from their own imagination. ***This is in addition to the standard school uniform.*** All scholars must still be in their official uniform.

Friday

#BlackOut

All STAR Academy students, faculty, and staff will wear all black to show solidarity for and appreciation of African-American culture and the racial identity.

Ty & Maddy's Southern Sweets and Treats Fundraiser

It's Fundraiser Season! STAR will be selling Ty & Maddy's Southern Sweets and Treats beginning **February 7th- March 1st!** The fundraiser includes a wide variety of coffee, dog treats, candy, popcorn, and gifts. Items start at \$3 and our school earns 50% on catalog orders and 40% from online orders from each product sold. Online orders can be made by going to <http://www.tyandmaddys.com/fundraising/star>

Student Prizes vary based upon the number of items sold!

Agenda Books + Conduct Calendars

Agenda Books and Conduct Calendars should be signed daily. These tools are utilized to communicate assignments, as well as daily behavioral updates. After signing, please remind your scholars to submit to their teachers the next instructional day.

Homework Completion

It is imperative that scholars complete homework daily and submit it the next day. STAR assigns homework **nightly**. The only day that your scholar may or may not have homework is on Fridays. Please ensure that homework is monitored for completion and accuracy and returned to the homework folder.
