

Sumter P.R.E.P. Academy
"Positive Response Education Program"
709 N. West Street, Bushnell, Florida 33513

Dear Valued Future Sponsor:

One of the reasons for our success at Sumter PREP Academy is the local businesses support of our Positive Response Educational Program, also known as **"The P.R.E.P."** We have established school-wide expectations that are monitored, evaluated recognized and celebrated weekly. The support from local businesses affords us the opportunity to provide weekly student celebrations, quarterly faculty/staff celebrations and bi-monthly progress monitoring breakfasts with parents and stakeholders.

These stakeholders, including our business sponsors are invited to enjoy breakfast while discussing the academic and behavioral progress of our students. As a result of our Positive Response Educational Program, we have a 93% success rate of students who transition to their zoned schools. *We are asking that you consider becoming a sponsor or renewing your sponsorship of the following. **Please check the level of sponsorship for this school year.***
