

UNLIKELY BUDDIES

A monkey and a tiger, a horse and a cat,
a dog and an elephant. How 'bout that?
A parrot and a fox, oh golly gee!
If they can do it, so can we!

Unlikely buddies. Unlikely, they may be.
Unlikely buddies, but gettin' along as you can see.

A hippo and a turtle, a rhino and a cow,
a pig and bunny. Oh my, oh wow!
A dolphin and a seal, oh golly gee!
If they can do it, so can we!

Unlikely buddies. Unlikely, they may be.
Unlikely buddies, but gettin' along as you can see.

A lion and a ferret, a wolf and a bear,
an owl and a chicken. Oh, lookie there!
A raccoon and a skunk, oh golly gee!
If they can do it, so can we!

If they can do it, so can we!

OUR ANIMAL FRIENDS

We can't imagine a world, we can't imagine a world, we can't imagine a world without our animal friends.
We can't imagine a world, we can't imagine a world, we can't imagine a world without our animal friends.

All creatures great and small, they complete us all. All creatures great and small, they complete us all.
