

Dr. Afxendiou

From your principal:

Dear Students, Parents, Guardians, and Community Members,

It gives me great pleasure to welcome you to the 2024-2025 school year at Samoset Middle School. I am thrilled to be starting my second year of service at this vibrant and diverse school where we all share a commitment to providing a safe, supportive and academically challenging environment where students are set on their way to growth and success.

Our theme this year is “The Road to Success.” Our school is dedicated to the growth of each student by fostering a positive and inclusive learning environment where students can discover their passions, develop critical thinking skills, and grow into responsible citizens. Our dedicated teachers and support staff are passionate about fostering a love of learning and helping students reach their full potential. We are committed to providing every child with the opportunity to succeed and the resources and support they need to reach their goals. This is the road that will lead to their growth and success.

Communication and collaboration between school and home is integral to the success of our students. We want to be partners in the education of your children. We encourage you to be involved, ask questions, and participate in our community. I will continue my weekly video updates so that you know what takes place in our school and are reminded of important upcoming events. I invite you to reach out to me with any concerns, questions, ideas, suggestions that will allow us to provide the best experiences for our students. Please visit our website frequently for updates on events and programs, for information on clubs, student government and PTSA activities.

I am very happy to be starting the new school year and look forward to all the exciting activities, events and opportunities it will bring. I look forward to working with you to make this year a valuable one in our students’ road to success.

With warm regards,

Dr. Afxendiou
