

BAC MEETING MINUTES 5/14

The meeting began at 7:15 in the Seneca library.

The following members attended: Gary Carruthers, Liz Morrison, Linda King, Paul Killian, Alan Sacher, Ed Hudson and Frank Christiano. Also attending and speaking was Ron Sacks.

The following topics were discussed:

- Approval of the BAC minutes from the 4/16/07 meeting.
- Alan Sacher discussed his review of class offerings and scheduling that was given to the committee by Mona Hecht at the last meeting. Alan talked about AP classes and the change over from Math A, B to Algebra. The committee discussed Science research classes and how they could possibly be distributed throughout other areas, rather than just limiting it to science. Alan was asked to continue his review and put together a presentation to be made to the board at a later date.
- Frank Christiano reviewed again custodial overtime and the committee will begin making their recommendations in the beginning of the next school year.
- The committee voted to end their meetings for this school year and will reconvene again in August.

The meeting ended at 7:50 and the next meeting will be announced the beginning of August.
