# Sachem Central School District

Security Update
November *14, 2018*

Sachem Central School District
Security Update

- Continuing to work closely with the Smart Schools Office at NYSED for the final approval – these upgrades fully integrate with all aspects of the Smart Schools Plan

- Continuing Security Enhancements as a follow up to the Threat Vulnerability Risk Assessment

Sachem Central School District
Security Update

- Replacing & Enhancing Entry Access Control System at every building in the district

- Installing emergency alert systems (panic buttons & emergency pull stations)
