Dear Parent/Guardian:

During the 2024-2025 school year, the opportunity may arise for your child's photograph or work to be included in classroom, school or district projects and events, which could be used in one of the following ways:

- Posted on the school or district web pages
- Appear in videos made during a student presentation of their project, or in broadcasts or videos demonstrating multimedia in general
- Used in a printed publication such as a newspaper or magazine
- As a demonstration or example in an educational workshop/class/conference
- Submitted as contest entries
- Recorded to appear in school-related programs or news broadcasts to be used by a local television station or school/county project

Such uses or postings may be accompanied with their name, but under no circumstances will an address or phone number for any student be included in any such posting.

While the Sachem Central School District values the merits associated with the use of the district website, associated websites and media outlets, we are also cognizant of the public nature of online content. We also understand that there are individuals in this world who misuse information that is available through the Internet. While we do not suggest that any of the information that is on the Sachem web pages has been misused, or will be misused, it is important that the appropriate parent/guardian grant permission for the use of pictures of students on our web pages.
