### **Sachem Student Attends Informative Medical Conference**

This past June, Sachem High School East senior Julianna Mercado attended the National Leadership Academies' prestigious Congress of Future Medical Leaders in Boston.

Students selected to attend the conference are recommended by their teacher or guidance counselor for leadership ability, academic achievement and dedication to science and related fields while also holding a GPA of 3.25 or above. ([read more](#))

## Featured News

A mysterious student discovery prompted a second-grade study of bird eggs at Lynwood Avenue Elementary School. After a second-grade student stumbled upon a bird egg during recess earlier this year, students were determined to identify what type of bird the egg came from.

Samoset Middle School hosted its sixth-grade Making Connections Breakfast that students enjoyed with a collection of staff members, including teachers, guidance counselors, social workers, the building principal and assistant principals.

The grounds of the Lynwood Avenue Elementary School served as an invigorating outdoor classroom for first-grade students who recently completed a full day of outdoor learning on a sunny November day.

Seneca Middle School sixth-grade students got a glimpse into the college experience during a field trip to LIU Post and Adelphi University this October.

After several weeks of extensive training and preparation, students from Sachem High Schools North and East came together to educate sixth-grade students across Sagamore Middle School as part of the Teens as Teachers Substance Abuse Prevention and Education Program Club and course.

Four Sachem students were recently honored with Suffolk County Zone Awards presented by the New York State Association for Health, Physical Education, Recreation and Dance.

Fourth-grade students at Tamarac Elementary School connected literacy and learning during a recent library lesson that utilized laptops in a unique way. Led by library media specialist Lori Capozzi, students connected a recent reading assignment with elements of technology.

## Board of Education

The Board of Education is composed of nine community members elected by district residents to serve overlapping three-year terms of office. The Board has the responsibility to ensure that all students receive the best education possible, as well as to express and represent the views of the community in matters affecting education.

## Mission Statement

The Sachem Family (students, parents, employees and residents) works interdependently to develop leaders of great character who are highly competent, confident and caring. Most importantly we are motivating our students to become the best possible version of themselves.
