

SENECA CLUBS 2021-2022

Sachem Central School District

Art Club - Mrs. Ramsay

The art club is for any student who loves art. Art Club gives students an opportunity to use various art mediums to create projects outside of a formal class setting.

Baking for Change - Ms. Faller

This club has been designed for students who enjoy baking and are early risers. Students will have the opportunity to prepare fresh baked goods for themselves and the student body. Students will work together to raise funds for various causes that need help.

Board Game Club - Mrs. Dantonio/Mr. Glasshagel

The Board Game Club aims to promote board games as a recreational activity that boosts strategic thinking skills and social interaction. This club is a platform for students with a common interest in board games to come together, have fun and to build relationships. It celebrates intelligence, creativity and strategy while learning how to collaborate or possibly work against someone else. Through participation in the games, students can master new skills and concepts in an enjoyable way.

The Breakfast Club - Mrs. Robson

A club for anyone who loves books and stories of all types- novels, manga, graphic novels. We will meet monthly before school to share and explore our favorite reads and fuel up for the day ahead. There will be student led selections of books, discussions, and activities. Bring your own breakfast if you would like to munch while we meet. Our meetings will be a fun and relaxing way to start the day.

Buddies Club - Mrs.Zederbaum/Mrs. Portanova

Pinterest Club will meet monthly to create various projects and crafts seen on the popular app.

Chess Club - Mr. Antonucci

Chess Club is a club formed for the purpose of playing the board game of chess. Chess clubs often provide for both informal and tournament games and sometimes offer league play.

Classbook - Mrs. Ramsay

The purpose of the Classbook club is to create a book of memories and photos from the school year. Students will learn basic photo editing as well as have to opportunity to take pictures and edit text. Once the book is complete, we will create signs to market the book and also organize and execute the distribution of the book.

SENECA CLUBS 2021-2022

Sachem Central School District

Cooking Club - Ms. Barnes

Students will create snacks and desserts while learning and practicing safety and sanitation in the kitchen.

Critter Club - Mrs. Zederbaum/Ms. Phelan

To educate students on appropriate animal care both in the home and in the community. We bring in guest speakers who specialize in the field, whether it is volunteer rescue workers or medical professionals to help further educate and inform the students on the proper care of pets and wildlife.

Crochet Club - Mrs. Aronow

Students will gather together and learn how to crochet. This is a good activity to communicate together and bond. This is for all levels and instructional videos will be used to support instruction. I have the material to get started.

Crossfit Club - Ms. Rose

The Crossfit club will provide nutritional education, effective workout planning, positive inspirational motivational choice-based program. It will also give students knowledge to help manage their own health.

Debate Club - Mr. Antonucci

Debate club gives students of all abilities a fun way of developing their advocacy & public speaking skills. The club could also help students to become more informed about political and global affairs, and provide a venue for students to train for debate competitions with our other middle schools.

Disney Club - Mr. Dreyhaupt

The Disney Club is a place for students to come and meet other students who share the love for all things Disney! We play Disney themed games, have Disney themed trivia meets, follow Disney animation artists, and collaborate with other clubs in any Disney way possible. We also will learn about the Disney College Program and possible job opportunities at Disney in the future!

EmpowHERment Club - Mrs. Ramsay

The EmpowHerment Club will be an opportunity for girls in 6th, 7th and 8th grade to realize their great potential through mindfulness, meditation, and self-confidence building exercises. This club will be a safe place for young women to embrace and love their differences while realizing the sameness in all of us.

Foreign Language Club - Mrs. Fernandez

The purpose of the Foreign Language Club is to create awareness and appreciation of other languages and cultures. We will "celebrate" international holidays and organize activities to promote, respect, and tolerance of other cultures.

SENECA CLUBS 2021-2022

Sachem Central School District

Gardening Club - Ms. Rose

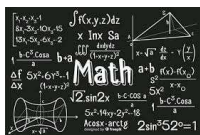

The garden Club provides a great opportunity for students to learn more about how plants grow and what plants help each other. Students will recognize plants, trees, and shrubs and a love for nature.

Good Eats - Mr. Metz/Mr. Frontino

This club will be centered around nutrition and mental health. We will be reviewing and cooking a variety of healthy meals and snacks. No matter what you enjoy doing in your free time, whether it's sports, drama, music, etc. having good nutrition can help you achieve your goals.

Math Club - Mrs. Aronow

Support classroom learning and enrich students' skills by developing higher order thinking. Students will participate in games, puzzles, and activities that teach math skills and promote logical reasoning.

Multi-Cultural Club - Mrs. Pequero-Collazo

This club will educate students and increase cultural awareness. At every meeting students have the opportunity to learn about new cultures and try new customs and foods.

National Junior Honor Society - Ms. Haines/Mrs. Tietjen

The purpose of the National Junior Honor Society is to recognize outstanding students who have demonstrated excellence in scholarship, leadership, service, character and citizenship. Eligible students will be notified about the application process in their 8th grade year. Students that get inducted will take part in monthly meetings and participate in various community service activities.

Newspaper Club - Mrs. Miller

Have you ever dreamed of becoming a published author? The Seneca Newspaper Club welcomes all students who express an interest in reporting both local and global news to our Seneca community. We are looking for members who love to write, and share their knowledge with others in a digital format. Newspaper club members will become editors of the online newspaper and share the responsibility of maintaining the webpage for the building. If you have an idea for a column you would like to write, please stop by our first planning meeting and let us know. Are you interested in covering school sports and events? Would you like to run an advice or horoscope column? Perhaps you would rather write a fashion column with a friend or analyze social issues. You could even create and publish your own short story, fan fiction, or poem. Whatever your interest may be, we have a place for you on our panel of journalists!

Pinterest Club - Mrs.Zederbaum/Mrs. Portanova

Pinterest Club will meet monthly to create various projects and crafts seen on the popular app.

Renaissance Club - Mr. Cafiso

The Renaissance Club helps to promote and recognize academic student achievement, positive behavior and good attendance at Seneca Middle School. The Renaissance Club helps build partnerships with staff, students, parents and the community. Members of the club volunteer their time to help and assist with school-related functions and fundraisers.

SENECA CLUBS 2021-2022

Sachem Central School District

Robotics Club - Mrs. Michta/Mr. Lundstrom

The robotics club is exciting club where students get the opportunity to develop a robot that will complete various challenges at a Robotics Competition. Members will also be presented with a real-world problem. They must develop a unique and creative solution to be presented to the competition judges. Team has limited amount of members and students must apply to be considered for the team. The team consists of 6th, 7th and 8th graders. The robotics club will be fundraising for competition fees, new equipment, and for the 2021-2022 FLL field kit (which will be used at the competition.)

SADD CLUB - Mrs. Garcia

Students Against Destructive Decisions (SADD), is a club to help students avoid making destructive decisions. SADD's mission is to empower young people to successfully confront the risks and pressures that challenge them throughout their daily lives. The club meets once a month and helps students develop positive peer relationships, meet new friends and enhance their social and emotional development. We have fun activities, games and group discussions. All are welcome.

Student Government - Mr. Demeo/Mrs. Patronaggio

Student Government strives to unify our student community by creating an engaging, positive, and memorable middle school experience. Members can expect to work collaboratively with each other to organize incredible events such as dances, fundraisers, food drives, and other character-building events. Student Government provides our kids with the opportunity to be a part of something greater than themselves, all while building people skills, business skills, and intrinsic motivation to be a part of their school community.

Technology Club - Ms. Robson/Mr. Lundstrom

Technology Club is an exploration of all the technology the school has to offer such as 3D printing, VR headsets, Sphero robots, button making, coding, makey-makey. Students can attend on a month to month basis.

Unity Club - Mr. Duffy/Ms. Tuna

When we walk through the doors of Seneca each morning we don't leave all of our diversities at the front door. We all carry our own experiences (good and bad), personalities, values, cultures, sexualities, genders, attitudes, and dreams, etc., along with us. The Pride Alliance is all about being proud of who you are. It is a social support and awareness club that empowers students in 6th through 8th grade to love and appreciate their uniqueness. The overall aim of the Pride Alliance is to build a community of support around our diversity. Our mission is to provide students with a place to connect and develop positive peer relationships, learn about other cultures and identities, enjoy community service, and to discuss and take action on issues that affect all students (such as bullying). This is a student driven club-much of what the Pride Alliance does each year will be up to its members. We will have monthly activities, facilitate and support school-wide events and programs, play games, do community service, and more...

Woodworking Club - Mr. Jorgensen

Woodworking club will provide an opportunity for students to use basic woodworking tools and machines in a safe laboratory environment.

Young Sages - Ms. Heaney

Seneca students will be virtually connecting with Senior Citizens in our community through Google meets. Time 'together' will be spent getting to know each other, playing games, making crafts, and just providing friendship to the often alone and isolated elderly community.
