# Toppenish School District No. 202

## MISSION

# “We do what’s best for kids.”

**Science • Technology • Engineering • Math • Literacy**

## VISION

We will produce superior graduates who are college and career ready, prepared to excel at the college level, who make wise choices, think critically, communicate effectively, and solve problems. We do this by creating safe, innovative and stimulating learning environments and by developing interactive partnerships among parents, students, colleagues and the community.
