

ROVER PIPELINE INFORMATION

What we've heard?	What do we know?	What do we NOT know?
Other neighboring counties are receiving encouraging financial projections from the Rover Pipeline.	We will communicate facts and be transparent when we have facts to communicate.	We do not know specific amounts that the district will be receiving from the Rover pipeline.
	The educational needs of our students have not changed.	Past information regarding money from the pipeline has been unpredictable.
	The facility needs of the district have not changed.	We do not know how this situation will impact future state funding.
