

Welcome *Wellsville Students in Grades 6-12* to StudentSquare!

Download the StudentSquare App

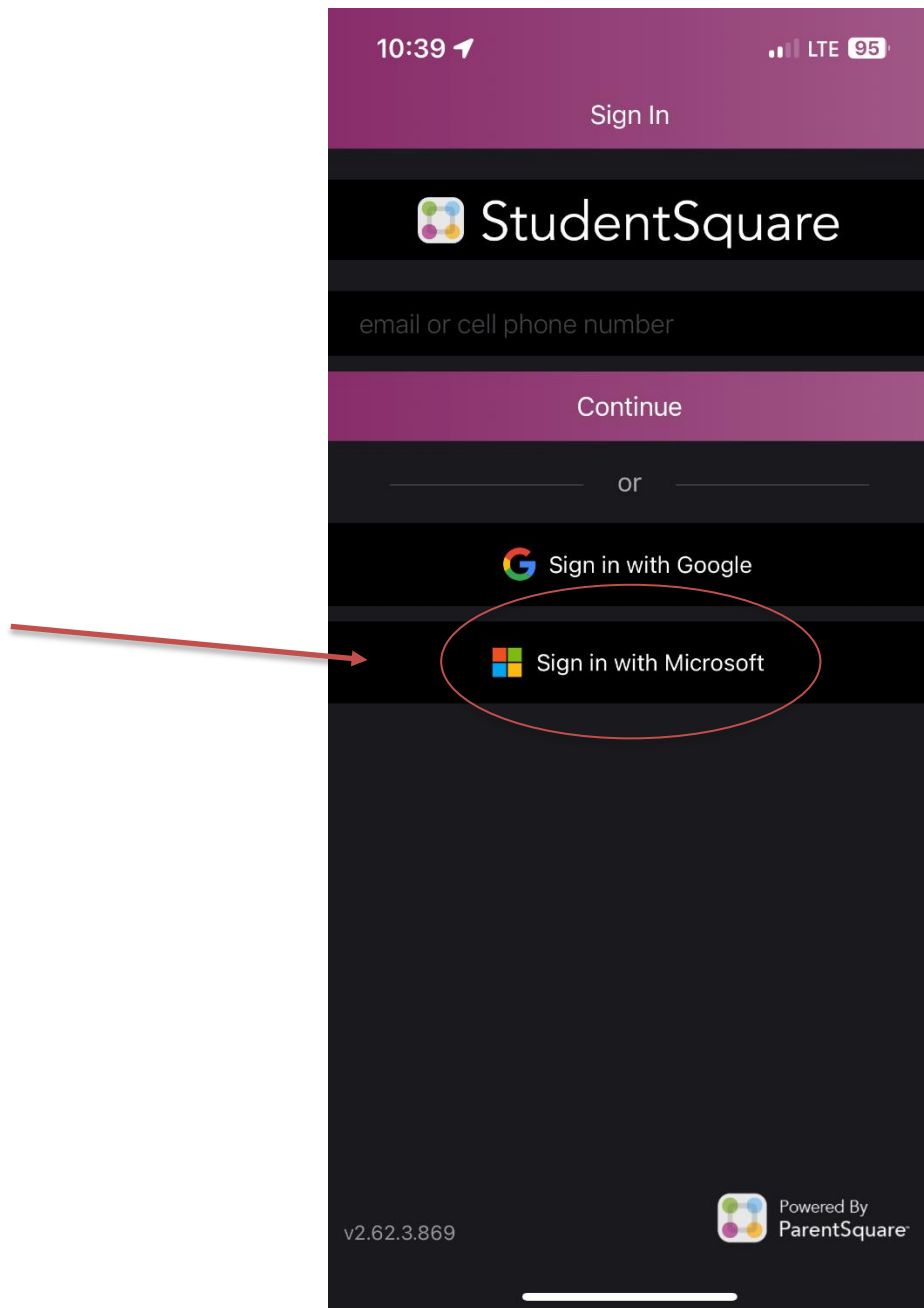

Download our FREE StudentSquare app for iOS or Android. This is the easiest way for you to receive all Posts, Events, Sign Up Requests, Photos and Files. You can enable text notifications when a message is posted. Your coaches, teachers, and club advisors will be using this to communicate this school year.

Use the camera on your phone to scan these QR codes - it takes you directly to the App or Google Play store.

Login to your StudentSquare Account

Students in grades 6th through 12th will also be able to use this platform! Their app is called StudentSquare. The app will be installed on student iPads in grades 6-12. You can also install the app on your cell phone. When logging in, click Sign in with Microsoft. You need to use your school email and password to be connected to the school.

Once you are logged in, you can access [Help Articles](#) for more information on navigating and using StudentSquare.
