

Wellsville Elementary Parent Pick-Up & Drop-Off Fall 2023

We have changed our arrival/dismissal procedures for the 23-24 school year at Wellsville Elementary due to local traffic pattern changes. We will have staff and signage to help direct you through the first few weeks of school.

Buses: Arrival/Dismissal will be **IN FRONT** of Wellsville Elementary. We ask that **NO** parent cars use our front parking lot during this time unless you are entering the main office.

Parent Pick-up/Drop-off:

- Please enter off of Williams Ave to reach the back parking lots of the Wellsville Elementary School.
- All parent drop-offs will follow in a loop around the **LOWER BACK PARKING LOT**. Staff will be in the lot to open your car doors and have your child exit your vehicle. We ask that **NO** parent leave their car to keep traffic moving in the morning.
- Parent Pick-up will happen in two locations: Students in grades PK-2 & those siblings from the intermediate end will report to the primary cafeteria. As parents of PK-2 students, please park in the **LOWER BACK PARKING LOT**, exit your vehicle, and will be allowed to enter the **Primary Cafeteria** starting at 3:05. After you have checked in, your child will be called to meet you. You will not be permitted beyond the primary cafeteria into the Elementary Building.
- Parent picking-up of students in grades 3-5 will go to the **UPPER BACK PARKING LOT** and loop toward the building. A staff member will look for your “parent pick-up ticket” so we can call your student to come out of the building and meet you in your car. We are asking that parents stay in their vehicles until your student arrives.

Please be patient with pick-up and drop-off times (self-transport & buses) the first few days of school. Some delays may occur as our bus drivers and new self-transport patterns change.
