## **Litzburg to Attend Girls State**

**Milla Litzburg** (above), Class of 2020, has been chosen by the teachers and administration at Wellsville Secondary School to attend the American Legion Girls State program this year. American Legion Auxiliary units in all 50 states proudly host Girls State, an amazing week of learning focused on responsible citizenship, leadership, and love of country. Female high school students who have completed their junior year are competitively selected, and sponsored by American Legion Auxiliary units for this program. The young ladies learn about the political process by electing officials for all levels of state government and actively running a mock government.

In one week, the girls will come as strangers and leave as friends, confident of their role and duties as citizens in a democratic society. Milla will attend Girls State at SUNY Brockport June 30 - July 6.

## **Alexa Hill to Compete at DECA State Competition**

**CONGRATULATIONS** to first-year DECA member Alexa Hill (at center in photo) for coming in second place at the regional competition held at the Olean Campus of Jamestown Community College on Wednesday, December 19. According to Wellsville CSD Business Teacher Jill Robinson, Alexa -- along with fellow Wellsville DECA Club members Isaiah Pensyl, Alex Good and Eric Morehouse -- will go on to compete at the NYS DECA Competition held March 6-8 in Rochester.

**School will also be CLOSED February 18-22 for February Recess.**

## Gingerbread Houses Used as STEM Project

IN PHOTOS ABOVE & BELOW - Students in Mrs. Murphy's and Mrs. Damiano's class worked on a STEM project. They had to design a gingerbread house which had four sides, a roof, a walkway, a fence for a perimeter (a math term they will be learning soon), AND, in the end, it had to withstand an earthquake. The students just completed a science unit on erosion in which they learned about earthquakes, landslides and volcanoes. The students worked very hard to make sure they had all of the components, but in the end, the earthquake did destroy several houses. The students learned how to better build their houses for next time -- MORE FROSTING!

## Pre-Kindergarten/Kindergarten Registration

We are beginning to plan for the next school year. To help us in our planning, we will be conducting our annual Pre-kindergarten/Kindergarten registration at the Elementary School. **Please fill out a "Registration Form" which appears on our web page, [www.wellsvilleschools.org](http://www.wellsvilleschools.org).** There is a registration form for Pre-Kindergarten and one for Kindergarten. If you would like the school to mail one home to you, please call 596-2104 or you may stop by and pick one up.

Screening normally takes place in June or July.

## Second Graders Enjoy Reading Day

The students spent the entire day reading books to themselves, with a partner, listening to other teachers read to them, and enjoying some guest readers. The students said it was one of their favorite days, as we build a love of reading.

## Community All-Star Nominee

Independent Health and Business First have teamed up to identify and honor Community All-Stars, a group of Western New York high school seniors who exemplify outstanding qualities that make our community a great place to live.

Senior **Skyler Schrlau** has been nominated by the school counselors and administration as a Community All-Star. Nominees should demonstrate they have made a positive difference in the lives of people at their school and in their community. Community All-Stars should also exemplify the following qualities: be of good character, have made a difference in their community through their community service, embrace the diversity of students throughout the school, and be friendly and open to all.

Community All-Stars are showcased in a special newspaper section to be published by Business First in June 2019. As in past years, all students will receive a plaque in recognition of their achievement. Community All-Stars are also chosen -- through a random and impartial process -- to receive a scholarship of \$1,000 per student.

## Kindergartners Raise \$ for Jones Memorial Hospital Infusion Clinic

IN PHOTOS - Jones Memorial Hospital Infusion Center representatives Beth Cooke and Brenda Szabo (at back, center in photo above) are shown receiving the donation from fifth graders at the Elementary School.

Under the watchful eyes of Santa's Sensei, the students in the Kindergarten were given mission #2 - Ninjas help others.

Their mission was to participate in a Penny Fundraiser to support the Infusion Clinic at Jones Memorial Hospital. The mission ran from December 6-18, 2018. With a

generous donation from the Student Senate and the pennies brought in by the Kindergarten students, they were able to give a \$518.10 donation on Friday, December 21, 2018, to Brenda Szabo and Beth Cooke, who represented the Infusion Center.
