RIT High School Junior Awards

RIT High School Junior Award Winners shown left to right are: Brandon Bailey, Isabel Mariotti, Brogan Bailey, and Sadie Embser.

Wellsville Secondary School will again be participating in the Rochester Institute of Technology's High School Junior Awards Program. The Computing Medal and Scholarship Program and the Award for Creativity and Innovation not only recognize outstanding high school juniors, but also highlight RIT's leadership in computing education as well as its creative and innovative programs in many other disciplines ranging from engineering, sciences, business to design, photography, film and crafts.

Brandon Bailey and **Isabel Mariotti**, Class of 2018, have been nominated for the Rochester Institute of Technology Comput-

ing Medal and Scholarship by Wellsville Secondary School Counselors and Administration. They have also nominated **Brogan Bailey** and **Sadie Embser** to receive the RIT Creativity and Innovation Award. Nominees for the awards program must rank in the top 10% of the junior class, demonstrate leadership in school and community, and be pursuing a rigorous college-preparatory curriculum. Students selected to receive these awards are eligible for a \$28,000 scholarship (\$7,000 per year) if accepted and enroll at RIT. Students may use these scholarships to pursue any of the baccalaureate degree programs available at RIT.

Big 30 Academic Team

The Principal's Association, comprised of both New York and Pennsylvania schools that lie within "Big 30 Area," has formulated a selection process which allows each school to nominate a student to the "Big 30 Academic Team." These students -- along with their parents, principals and superintendent -- are honored at an annual awards dinner. This year's dinner will be held on Monday, May 15, at the Old Library Restaurant in Olean.

We are proud to announce Madison Ewing has been chosen as the nominee for the Wellsville Secondary School for the 2016-2017 school year. The criteria for this award is based on academics, 90% (raw grades, courses

From the Wellsville BOE and Administration

Dear Residents,

The Wellsville Central School District's mission statement continues to guide our budget decisions, **“To prepare our students to be successful, contributing members of their communities through excellence in education.”**

After three years of no tax increase, we've gone a step further this year in preparing a fiscally responsible budget. **The 2017-2018 budget includes a .5 (or 1/2 percent) DECREASE in the tax levy.** The 2017-2018 budget-to-budget increase is 0.65%. This increase is being covered by an increase in state aid.

We continue to be proud of our staff members who are dedicated to educating our children and greatly appreciate our incredible facilities. We must continue to work together in order to prepare our students to be able to meet the educational challenges they face not only today, but also in their futures.

We are truly grateful to a community that is supportive of our schools and students. We encourage you to be informed about the budget. Join us for our public budget hearing on May 2 at 6 p.m. in our Middle School Room 212A, and then please exercise your right to vote on the budget in the Wellsville Secondary School Lobby (river side entrance) on May 16, 2017, between the hours of 7 a.m. and 9 p.m. We also encourage you to contact the district office (596-2170) with any questions you may have regarding the Wellsville Central School District.

Whatever Floats Your Boat . . .

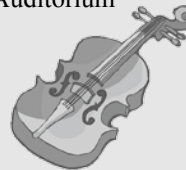

Mrs. Grimes and Miss Marlinski's Pre-Kindergarten classes teamed up to design boats which would float! All of the students worked hard in the MakerSpace, where they used up to five different recycled materials to design and build their watercraft entirely on their own. Mrs. Grimes said, "We tested the boats and discussed floating and sinking, as well as what materials made the boats float. Upon completion, the students were asked to predict whether their boat would sink or float and then they tested their boats in the water. This was an engaging, hands-on, student led STEM project that both the students and the teachers thoroughly enjoyed."

Guidance -- From Page 6

The Medal was first presented in 1916 with two purposes: to recognize the superlative academic achievement of young men and women, and to motivate students toward careers in science, engineering, and technology.

This \$25,000 per year merit scholarship is guaranteed for four years for each medalist who applies, is accepted, and chooses to enroll at Rensselaer. Rensselaer will be hosting an open house for all medalists in the fall of 2017.

Sage Awards Announced

Mitzi Kalkbrenner (far right) and **Trinity Roulo (near right)**, Class of 2018, have been named the "Student Sage" from Wellsville Secondary School. The "Student Sage Award" enables high schools to honor juniors from their school community with this nomination. Recipients of the award will receive a "Student Sage" pin, a certificate of nomination, and an invitation to the Russell Sage College Student Sage Scholars' Reception during their senior year. Upon admission, the student nominees will be eligible for a scholarship to RSC.

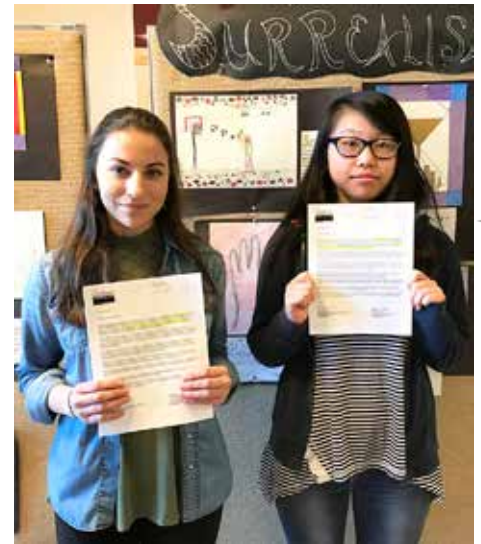

Qualifying nominees are guaranteed a minimum of \$5,000 per year toward tuition at Russell Sage College or Sage College of

Albany. In addition, all Student Sage applicants will be automatically reviewed for additional merit aid, bringing their possible total scholarship to \$10,000 per year.

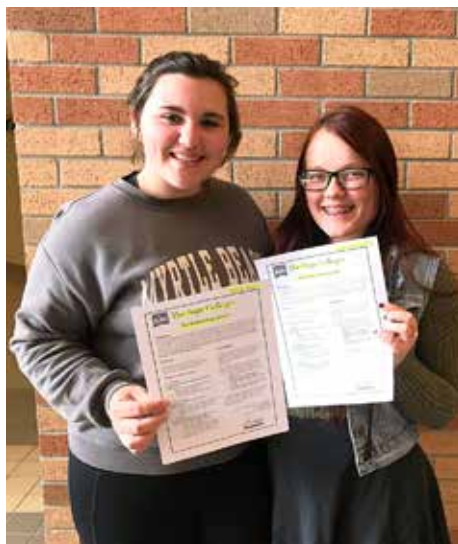

Congratulations to these fine young ladies on their nominations!

Clarkson Leadership & Achievement Awards Announced

Clarkson University would once again like to recognize two top juniors. The juniors selected for the Clarkson Leadership & Clarkson Achievement Awards will qualify for a \$60,000 (\$15,000 per year) or

CAROCES Design & Print Publication

\$48,000 (\$12,000 per year) tuition scholarship, respectively, over four years should the students apply, be accepted and choose to enroll at Clarkson University. To be eligible for the Clarkson Leadership Award or Clarkson Achievement Award the juniors must be recognized by students and faculty as having been a positive contributor to school and community, demonstrate leadership qualities, be enrolled in a college-bound program and achieve an academic class rank in the top 15%.

The Clarkson University Leadership Award has been awarded to **Jessica Spinelli (above, left)**. The Clarkson University Achievement Award has been awarded to **Zhen Ting Li (above, right)**.
