## ***"She Loves Me" -- You'll Love It!***

THE CAST of *She Loves Me* shown L-R: Maddison Baker, Ross Munson, Ellie LaBenne, Robert Shuryn, Cynthia Covell, Anita Germain-Tardieu, Henrik Schmacker, Kati O'Neill, Rebecca VanBuskirk, Ethan Brammer, and Isaiah Scott. *Story on page 2. Poster on page 4.*

## "She Loves Me" — You'll Love It!

If you've ever seen the 1998 movie, *You've Got Mail*, you know the story. A man and woman who are anonymously corresponding with one another fall in love, unaware that they actually already know and despise each other. The musical *"She Loves Me"* is based on the same original story and has all of the charm of the film. Wellsville Secondary School is proud to present our heartwarming production of this delightful musical on March 27th, 28th and 29th.

Georg Nowack -- played by Robert Shuryn -- works at Maraczek's Parfumerie, a drugstore in 1930's Hungary. He places a personal ad in the newspaper saying, "A young man is looking for a young woman." Amalia Balash -- played by Anita Germain-Tardieu -- spots the ad and begins an enchanting correspondence with him, without either of them knowing the identity of the other. They are captivated by each other's intelligence, warmth, and wit. But Amalia also works at the Parfumerie, and she and Georg cannot stand one another. After almost a year of writing, they agree to meet. What could possibly go wrong?

There are other stories happening in this musical, too. Mr. Maraczek—portrayed by Henrik Schmacker -- believes his wife is having an affair with one of his employees. Ilona Ritter and Steven Kodaly -- played by Ellie LaBenne and Isaiah Scott -- have an

Anita Germain-Tardieu and Robert Shuryn as Georg and Amalia.

on-again, off-again intimate relationship. ## "She Loves Me" -- From P. 2

Many of the production staff for this musical are new to their roles. Matt Warren is directing our musical for the first time. He is enjoying working with a highly-talented group of young people in producing this heart-warming musical about love in its many forms. "Audiences will find this show to be fun and highly-engaging. Anyone who has ever been in love will find a soft spot in his heart for this musical." Kate Martelle has joined the team as Choreographer; she has given the cast some fun action for this show. Judy Belin is the Musical Director, returning to this role after retiring eight years ago, and prompting incredible vocals from our cast. Becci Loeb and Mark Corwine are in charge of this show's sundry props. Amy Thomas and Susan Ralyea have accepted the challenge of putting the cast in period costumes, and Jeff Joslyn is putting together a string-heavy pit. Running the technical areas are Ben Loeb as Technical Director, Kali Lananger as Sound Specialist, and Diane Willard as Lighting Designer.

Rehearsals began on January 6th, and the show will soon be upon us. Performances of *She Loves Me* are set for March 27th & 28th at 7:30 p.m., and March 29th at 2:00 p.m. in the Wellsville Secondary School Auditorium. Tickets can be purchased in advance from the Wellsville Secondary School Main Office or from Brand Name Appliance on Main Street in Wellsville. Tickets will also be sold at the door. The cost is \$8.00 for General Admission and \$7.00 for Students and Senior Citizens. Anyone wishing to become a patron of our show can email Producer Diane Willard at [dwillard@wlsv.org](mailto:dwillard@wlsv.org).

Everyone involved in our show hopes you will make time to come and experience our production. If you come to see "*She Loves Me*," we know the outcome will be, "You Love It!"

Ellie LaBenne and Isaiah Scott as Ilona Ritter and Steven Kodaly.

## 6th Grade Bahama's STEAM Collaboration

By Mrs. Caitlin Bowen, Secondary STEAM Instructional Coach & STEM 2035 Grant Coordinator

On Tuesday, February 25, the sixth Grade STEAM Design teams attended St Bonaventure University with myself, Mrs. Bump (sixth grade science teacher), and Mrs. Scholes (Family Resource Coordinator). In Mrs. Bump's STEAM class, the students have collaborated with St. Bonaventure's BonaResponds (student volunteer service group) to create two sensory

paths for Mary Star of the Sea Academy in Freeport, Bahamas. The 22 students worked quickly to conference with their new client via Skype, and then research, design, and print the vinyl stickers for two pathways in less than three weeks! Seven students then gave a fantastic presentation (*see photo ABOVE*) on what they created to a group of 20 people, which included three college professors and a mixture of undergraduate and graduate students pursuing degrees in many different fields. The purpose of the presentation was to inform the college students about sensory pathways and give them directions on how to install the pathway in the Bahamas when they go there next week as a part of the BonaResponds program. This is a perfect example of a collaborative STEAM education project and both groups are excited to collaborate again in the future.

## Impressive Showing for Robotics Teams at VEX Qualifier

By Mrs. Caitlin Bowen, Secondary STEAM Instructional Coach & STEM 2035 Grant Coordinator

The Wellsville Secondary School Robotics teams -- coached by Mr. Skrzynski -- competed in the "VEX in the Valley" robotics qualifying event held on Saturday, February 8, at Canaseraga CSD. After their first competition in January, the students split into separate teams and brought two robots to the competition consisting of 19 teams from the region. After the qualifying rounds were completed, Wellsville's Big Cat Robotics team, led by senior Eric Morehouse, placed second overall with a record of 7-1-0 and placed fourth overall in the Skills Competition (*at top right*). Wellsville's newest team, The Large Predators, led by freshman Kavan O'Grady, finished seventh overall with a record of 4-3-1 and placed sixth overall in the Skills Competition (*at top right*).

Each of Wellsville's teams had the opportunity to select their alliance partner for the tournament round. After upsetting the tournament's top seed, Wellsville's team, The Large Predators, made it to the finals after some excellent driving by Kavan O'Grady and assistance from sophomore

Drive Team members, Jack Jordan and Luke Zakel. Despite both Wellsville teams coming up just short of qualifying for the state tournament, Big Cat Robotics again earned the "Judges Award," their second in as many competitions.

## Brubaker Joins Leadership Team

Aaron Brubaker (*above*) has been hired as the new assistant principal at the secondary school. He earned his bachelor's degree in Chemistry/Adolescent Education at SUNY Geneseo before receiving his master's in special education from Grand Canyon University. He then went on to earn advanced certification as a School Business Leader and in School District Leadership at the University of Rochester.

Mr. Brubaker was employed for the past 12.5 years as a high school chemistry and grade 7/8 science teacher at Andover Central School. He also served as class advisor for grades 7-12 and as a substitute bus driver at ACS.

Aaron and his wife, Heather, live in Whitesville and they have three children: Adeline (7), Allison (4) and Lincoln (3). Aaron enjoys camping with his family, volunteering for his children's sports teams, hunting, and making maple syrup.

**Science Club**

**IN PHOTOS ABOVE -** Third graders in the Science Club at the elementary school are shown working on the challenge of building a working swing to hold a small figure. The WES Science Club is open to students in grades 2-3. The purpose of the club is to promote interest in STEAM (Science, Technology, Engineering, Art, and Mathematics) and engage the students in challenging and mind-stretching tasks.
