Hey! I'm this years French club president and was wondering if I could place an announcement on the morning announcement post for next week's French club? The announcement would be on Monday, Tuesday, and Wednesday stating " French Club will be this Wednesday from 2:40-3:15 in Mr. Bowers' room, we will be painting!" I do have a few questions for you though. Do you prefer if the teacher leading this club email you or does it not matter to you? Do you prefer a week's notice before I ask for announcement to be made or would you like a list of dates or something else?
