**RE: Minutes of SQRC Meeting – Wednesday, March 5, 2014**

### **MINUTES**

1. **Program Evaluation: School Library - Grades K-12** [Dr. Alice A. Robinson, K-12 Library Chairperson] - Dr. Robinson presented the K-12 program evaluation to the SQRC members. Dr. Robinson was successful in receiving a grant from the Nassau Educators' Federal Credit Union. All of the librarians always look to foster a love for reading. Recommendations are to continue the level of library services currently enjoyed by students and teachers.
2. **Proposed 2014-2015 School District Calendar** [Mr. Anthony Cacciola] - The proposed calendar was presented to members of the SQRC. It will be approved by the Board on March 11th.
3. **Proposed 2014-2015 Budget** [Mrs. Jennifer Buscemi] - Mrs. Buscemi reviewed the budget presentation which had been presented at the district's first budget meeting held during the evening on March 4<sup>th</sup>. We are challenged by the lack in state aid and the low property tax cap limit.

Next SQRC Meeting: May 8, 2014
