

# Willsboro Pride Tickets

At WCS, there are many ways to show **Willsboro Pride**. Specifically, for our students, it means being **respectful**, **responsible**, and **safe**. WCS staff members promote these expectations throughout our school and always encourage students to do their best to show **Willsboro Pride**. Starting next week, WCS will have another way to recognize students that are demonstrating **Willsboro Pride**. Staff members will be on the lookout for students that are going above and beyond to show **Willsboro Pride** and acknowledge them with Willsboro Pride Tickets. Willsboro Pride Tickets will be a way for a staff member to highlight positive behaviors and examples of students showing how they are **respectful**, **responsible**, and **safe** while at WCS. **Be on the lookout for your child bringing home one of these Willsboro Pride Tickets!**
