Where Terriers Create!

Welcome to Art at Port Charlotte Middle School

Hello, my name is Mrs. Pucci. I have been teaching middle school since I graduated from Florida State University in 1991. (Go NOLES!)

I am glad to be part of the team at Port Charlotte Middle School and together we plan to produce AMAZING art!

Course Objective:

Students will learn how to use line, color, and value to represent perspective, movement, depth, form, and style.

GRADING:

Each student will EARN his or her own grade based on the following categories and percentages.

Participation = 40%

Projects = 40%

Quizzes & Tests = 20%

Purposeful Participation (40% of grade):

Participation responsibilities include but are not limited to...

- ✚ partaking in guided practice activities
- ✚ creating a well thought out plan/sketch of the assigned project
- ✚ maintaining their portfolio
- ✚ table and materials clean-up
- ✚ taking care of equipment

Remember: Art takes a lot of work, and art skills take a LOT of practice!

Studio 678

Where Terriers Create!

Projects = 40%

To receive full credit, PROJECTS must completely fulfill the requirements set forth in the Project Criteria. Each project will either be worth 50 points or 100 points, depending on complexity. The CRITERIA of each project will be posted in our school classroom and our Google classroom.

Project Rubric:

+ Criteria (40%)

Project demonstrates style and/or skill being taught.

Project follows and completes instructions.

Please NOTE: The Project Rubric remains the same for EVERY project.

However, the CRITERIA changes according to the lesson objective.

+ Care (30%)

Projects are expected to be presented with CARE. Care and neatness are all about presentation. CARE demonstrates that student did not rush to finish the assignment and student is INTENTIONAL about the work.

Project should be free of smudges, holes, tears, and stray marks.

+ Creativity (20%)

Work is original, detailed, and takes "chances."

+ Complete (10%)

Projects will only receive full credit if completed and uploaded to Google classroom ON TIME with the student's FULL name and class period LEGIBLY written in the bottom right corner (basically you can't get an "A" if your project is not finished on time).

Quizzes = 20% (Yes, even in art we will have tests and quizzes.)

+ Every lesson will have a Google QUIZ based on the objectives.

+ Every project will have a Google QUIZ based on the criteria.

+ Art students are required to take a MID-TERM and a FINAL Exam.

Quality work is expected!
