

# How to check the AR level of a book on myON.

1. Hover over the book title.
2. Click on the BLUE button-INFO.

3. Once this screen comes up, click on the i (DETAILS) button.

4. Finally, look on the right column at ATOS (AR reading level), AR POINTS (how much each quiz is worth), and QUIZ NUMBER (can use instead of typing the title).

**\*ATOS is the number to look at for reading level\***
