## CLASS MATERIALS NEEDED DAILY

- Student Agenda/Planner
- Pencils and highlighter
- 1" Binder Only for Math Class
- 4 Binder Dividers
- 1 ream of copy paper
- Loose-Leaf Paper
- Earbuds for class activities, such as Khan Academy Videos

### HOMEWORK

Homework is your lifeline to success! You learn math by practicing it! Homework will be assigned regularly. Students may be given a portion of class time to start working on their homework assignment.

Homework assignments will consist of either a worksheet, workbook page, an IXL topic, Khan Academy, etc.

**Work must be shown** regardless of your ability to calculate answers in your head. I need to see your understanding of our concepts this year.

### QUIZZES & TESTS

During the school year, there will be several major unit tests and smaller quizzes to track your learning.

On each quiz, you will be asked to complete multiple problems (with all work shown) similar to bell-work. Some quizzes throughout the year may be open note but not all of them. If you don't bring your binder to class, you will be responsible to take quiz **without** your materials.

You will have a unit test for each unit we cover this year. **On tests you will not be able to use your binder but you will be provided with the state assessment reference sheet.**

If a student is absent the day of a quiz or test, they will have to reschedule to make-up the assessment. **Failure to make-up the assessment will result in a zero.**

### FAST

This course has a FAST State Assessment. The FAST assessment is used as a progress monitoring tool and will be given 3 times throughout the year. It has questions over ALL concepts taught throughout the year (August-May) so it is very important to complete assignments and study. If you don't understand a particular concept, please reach out to Mrs. Scott.

#### Late Work Policy

There is a 25% deduction on all late work. Work will be accepted up until 1 week after the due date. After 1 week, the student will receive a 0 and can no longer turn in the assignment.

### CLASS RULES/BEHAVIOR

- Come to class with a positive attitude everyday
- Be on time to class
- Come to class prepared each day
- Work hard from bell to bell
- Try your very best
- RESPECT everyone in the classroom
- No cellphones
- All other school rules apply to my classroom.

### ATTENDANCE

Being in class is imperative to your success. It can affect your class grade, graduation credits, and your FAST score.

It is the responsibility of the student/parent to request all make-up work and homework from teachers. Two (2) days for each day of absence shall be given to complete all work. Exams, tests, or quizzes shall be rescheduled at the discretion of the teacher. Long-term projects assigned prior to the absence shall be due on the date the student returns to class. Exceptions may be made with proper documentation.

**Students:** Please read the course syllabus and share it with your parents/guardians. You and your parents/guardians need to sign this signature sheet and please return this sheet to Mrs. Scott no later than **Monday, August 19<sup>th</sup>**. This is your first homework assignment.

---

I have read the policies and expectations for the **7<sup>th</sup> Grade Accelerated** class and understand them. If I choose not to meet these expectations, I am willing to accept the consequences.
