

Syllabus

Math for College Algebra

Ms. Vickers

2023-2024 Course Syllabus

Course Description:

The purpose of this course is to strengthen the skill level of high school students who have successfully completed Algebra I, II, and Geometry and who wish to pursue credit generating math courses at the college level.

Required materials:

- Lined paper
 - Calculator
 - Pencils
 - Folder
 - Completed assignments
-

Rules:

- Be respectful: to the teacher, students, and classroom
- Be responsible
- Be in your assigned seat **BEFORE** the bell rings.
- Be **PREPARED, POLITE, & POSITIVE**
- No electronic devices (other than calculators)

 ***Assessment***

Assessments include homework, class work, quizzes and tests. It is important that you treat each assignment with equal importance as they are all integral parts of your overall grade. Preparation is your friend! Do the work and you will achieve the desired results.

 ***Attendance:***

Students will follow the LBHS attendance policy as stated in the student handbook. Make-up assignments, quizzes, and tests are the student's responsibility. If a student must be absent from class, he/she will have two days to turn in all the missed work. All missed quizzes and tests will follow these rules:

- **A. If the student is absent only on the review day before a quiz/test, the student will take the test on the scheduled day.**
 - **B. If the student is absent only on the day of the test, the student will take the make-up test/quiz on the day of return.**
-

 ***Extra Help and Parent Contact:***

Tutoring hours are available upon request. Students will need to make an appointment in advance. If parents have any questions or concerns, please feel free to call 474-7702 to leave a message. I am also available through my e-mail at Lorraine.vickers@yourcharlotteschools.net
