

PEACE RIVER ELEMENTARY PANTHER PRESS

Welcome to our November/December Newsletter! We hope all of our Panther Families had a nice Fall Intersession. These next few months will go by quickly (with several school breaks), so please help us keep our Panthers present, focused, and on track! By now, you should have viewed your student's report card online. If you would like a conference with your child's teacher, please reach out through email, in the planner, or call to schedule an appointment. An open line of communication is so important in forming positive school/home/family partnerships. If you have not set up your FOCUS Parent Portal, please do so ds soon ds possible! We are here to assist you, so please contact our Registrar at 441-255-7622 ext. 3459 if you have any questions.

As a reminder, students are to wear their school issued I.D. badges and lanyards as part of their uniform. Please help establish the habit of having the badge on before they leave home, as it is required for riding the bus and entering the school building. We look forward to seeing our families at our scheduled Family Engagement events, Spirit Nights, and other events this year.

First Grade

Most of our first graders are enjoying the new schedule and we are looking forward to seeing some amazing academic growth this year! We can't do it alone, so we are asking that you continue to work with your child at home. You can read together, practice spelling words and sight words, and you can even have conversations with your child. That's right, just simply talking to your child about the things you see outside, or at the grocery store, or on tv, can help improve your child's Oral Language which directly impacts the ability to be successful at school. The first-grade teachers thank you for your help. Please reach out to us if you have any questions and/or concerns.

Thank you, The First Grade Team

Second Grade

Our second grade students will be enjoying a production of The Nutcracker on December 1st, 2023 at CPAC. Families should have received information about this trip. The Second Grade Swim program is being postponed until the spring.

🥡 🖟 Garden Club News 🚜

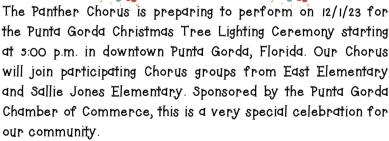

Our Panther Garden Club has been working hard to keep our gardens beautiful! We appreciate the work they put into this project.

If you would like to volunteer in our school garden or can donate supplies, please contact Mrs. Shelatz at 941-255-7622

or email allyn.shelatz@yourcharlotteschools.net

The Panther Chorus will also be hosting a Holiday Music Presentation and Sing-A-Long during the school day on 12/19/23 for our entire student body to start off the Winter Break. Beginning somewhere around 1:45 pm and lasting until 2:55 p.m., the Chorus will present some stand-alone selections and will also lead the audience Sing-A-Long. Our own Mr. Cruz has agreed to read the ever- popular seasonal poem "The Night Before Christmas".

May you all have a Very Merry Christmas and a Prosperous New Year.

Mrs. Navarro and the Panther Chorus 2023-24

Hi Panthers! We are excited to be learning about baseball during P.E. classes. It is always fun learning new things and trying different activities to see what you like and what you are good at. I know many of our Panthers play baseball and this will be a fun unit of study! It is important to stay active. Exercise and a healthy diet are important in taking care of your body. Each month, I will be sharing a simple recipe (see recipe below) to try at home, and I hope you enjoy trying new things!

Veggie Tree

Simply arrange broccoli into a tree shape, add cherry tomatoes for garnish, pretzel sticks for the trunk and yellow pepper strips for a star. You can add cauliflower snowballs if desired!

Santa Fruit Kabobs

Use bananas (cut in half), strawberries, green grapes, marshmallows (cut into quarter size slices), and mini marshmallows to create a "santa" and slide them onto a toothpick. Add a red candy to garnish if you'd like.

As we enter flu season, check out this easy chart to see when you should keep your child home!
