	Science	May 18 th and 19 th

Welcome, Students and Families!

The Bureau of K-12 Student Assessment is responsible for all aspects of Florida's K-12 statewide student assessment programs, including developing, administering, scoring, and reporting the results for assessments aligned to the Florida Standards and Next Generation Sunshine State Standards (NGSSS), as well as assisting with the administration and reporting of several other K-12 student assessment programs. Services are provided both by Florida Department of Education (FDOE) staff and through various contracts with assessment vendors. The primary goal of these assessments is to provide information about student learning in Florida, as required by Florida law (see Section 1008.22, [Florida Statutes](#)). For more information about the statewide assessment program, see the department's webpage: <http://www.fldoe.org/accountability/assessments/>.

Art
with
Mrs. Hood

Mrs. Wyatt's class learned about the order of the colors of the rainbow. Roy G. Biv!

These donuts are not for dunkin', but they sure do look good enough to eat!

The Artist's Corner

Mrs. Steagel's Class Is Rockin' Reading

Mrs. Steagall's class won the Golden Book Award for reading excellence!

Reylynn and Adam ready for the Cup Craze Activity.

Damani was our 1st MVR for Reading Zone Kick Off.

Mrs. Starkey's Pre-K Class

Mrs. Starkey' Pre-K class was so excited to learne about shapes!!!!

READERS LEADERS

Mrs. Kulman and Mrs. Schmidt treated their top readers to a special luncheon for their amazing reading accomplishments. Dinner included salad, rolls, spaghetti and meatballs, beverages served with a little umbrella in the glass and an assortment of cookies for dessert. Receiving this prestigious recognition were the following students:

I'Nahlia Bryant	198	Scarlett Leuthner	57	Reagan Reynolds	122
Carlos Benitez	157	Alexis McClure	117	Ethan Schroeder	119
Ellyahna Francis	72	Levi Monroe	139	Deagan Shepperd	128
Jariel Gonzalez	121	Chloe Perry	122	Jason Yuncker	122
Michael Kirsch	132	Shane Poling	86		

Book Fair!

March 8-12

Monday-Friday: 7:45-2:45

We are having our Scholastic Book Fair.

However, due to COVID-19 we are unable to have our family fun night.

There are two ways to shop at the book fair:

1. Students can shop at the book fair during school hours. We are accepting cash, credit card, checks (made out to Liberty), and ewallet (we encourage this touchless option- see below).
2. Parents, family members, and friends, can shop online. Items will be shipped directly to your home.

For more information, to sign up for ewallet, or to shop online...

Scan the QR code
or visit

<https://www.scholastic.com/bf/les201>

Give your child a safe,
cashless way to shop the Fair!

Easy and secure, with contactless check-out, Book Fair eWallet is a win-win!

Money left over in student's ewallets will be donated to our All for Books fund to buy books for our library.

MS. HUNTER'S SECOND GRADER'S BIO BOTTLE PROJECT

A Biography *Bottle* is a *bottle* made to look like a historical figure, past or present, who made an important contribution to our world.

What is...

Girls on the Run?

A Program Like No Other

Girls on the Run, a 501(c)(3) nonprofit organization, is a **physical activity-based positive youth development program** that is designed to enhance girls' social, psychological and physical skills and behaviors to successfully navigate life experiences.

5Cs + 1

The 10-week curriculum includes lessons that specifically target helping girls improve in **competence, confidence, caring, character, connection** and **contribution**. Girls learn specific skills and strategies such as how to manage emotions, help others, make intentional decisions and resolve conflict that they use at home, at school and with friends.

Trained Coaches

The life skills curriculum is delivered by caring and competent **coaches who are trained to teach lessons** as intended while building relationships with and between girls; creating a positive, inclusive environment; and supporting individual improvement.

5K Celebration

The season concludes with a celebratory 5K event. Completing a 5K gives the girls a tangible sense of achievement as well as a framework for setting and achieving life goals.

Community Impact

The program inspires girls to build lives of purpose and to make a meaningful contribution to community and society. This comes to life through a key element of the curricula when **each team creates and executes a community service project.**

“

Girls on the Run has helped me understand what it means to be a girl.

It was an amazing experience being part of such an awesome team of girls. I will continue to teach others what I have learned with Girls on the Run and carry it with me for the rest of my life.”

– Malia, 11

Our Mission

We inspire girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running.

Our Vision

We envision a world where every girl knows and activates her limitless potential and is free to boldly pursue her dreams.

Our Core Values

Girls on the Run honors its core values. We strive to:

- ⊕ Recognize our **power** and **responsibility** to be **intentional** in our decision making
- ⊕ Embrace our **differences** and find **strength** in our **connectedness**
- ⊕ Express **joy**, **optimism** and **gratitude** through our words, thoughts and actions
- ⊕ **Nurture** our physical, emotional and spiritual **health**
- ⊕ **Lead** with an **open heart** and assume **positive intent**
- ⊕ **Stand up** for ourselves and others

All of our online programs can be accessed through our county CLASSLINK portal. Once students are logged into their Classlink account, all of their websites will be available as icons.

To log into CLASSLINK at home:

1. Go to the LES homepage.
http://www.edline.net/pages/_Liberty_ES
2. Click on shortcuts
3. Click on Classlink
4. Enter username and password.

WHY READ 20 MINUTES AT HOME?

Student A Reads	Student B Reads	Student C Reads
❖ 20 minutes per day.	❖ 5 minutes per day.	❖ 1 minute per day
❖ 3,600 minutes per school year.	❖ 900 minutes per school year.	❖ 180 minutes per school year.
❖ 1,800,000 words per year.	❖ 282,000 words per year.	❖ 8,000 words per year.
		
❖ Scores in the 90 th percentile on standardized tests.	❖ Scores in the 50 th percentile on standardized tests.	❖ Scores in the 10 th percentile on standardized tests.

If they start reading for 20 minutes per night in Kindergarten, by the end of 6th grade, Student A will have read for the equivalent of 60 school days, Student B will have read for 12 schooldays, and Student C will have read for 3.

(Nagy and Bernan, 1987.)

WANT TO BE A BETTER READER? SIMPLY READ.

Accelerated Reader

Accelerated Reader is a program that allows students to earn points for reading and comprehending books. In order to earn points, a student needs to read a book and understand what the book was about. Then log

on to AR using the account provided by their teacher, to take a quiz on the book. Most picture books have 5 questions, and most chapter books have 10 questions. If the student receives a 100% they will earn full points for the book, however if they receive less than a 100% they will receive a portion of the points. Most picture books are worth 0.5 points and chapter books vary in point value based on difficulty. **Quizzes can only be taken at school during school hours**, but we encourage students to read their AR books at home. Kindergarten students will begin taking AR quizzes when they master 100 sight words. You can find out if a book has an AR quiz by visiting www.arbookfind.com.

So how can students celebrate these points?

Each grade level has a point goal to reach by the end of the school year. If they reach that goal, they will earn an AR t-shirt and an ice cream party. As students earn points, they will have opportunities throughout the year to purchase items at the AR store using their points.

Reflex helps students of all levels to develop fluency with their basic facts in addition, subtraction, multiplication and division. Math fact fluency is the quick and effortless (automatic) recall of basic math facts. This makes learning new math skills much more attainable for students.

Adaptive and individualized instruction

Engaging games that keep students coming back for more

Intuitive and powerful reporting for educators

Students can earn a **Movie and Popcorn party** twice a year if they achieve and maintain 100% fact fluency on Reflex. Students login and practice math facts through colorful interactive video games. Once they have answered enough facts correctly for the day, they will earn a green light. This should be **done at least 3 days per week**.
