What happens if voters do not approve the proposed budget?

- Reduce the budget and ask the voters to approve the reduced budget
- Go directly to a contingent budget with no revote

Baldwinsville

Central School District

Build - Educate - Empower

What is a contingent budget?

- **A district that adopts a contingency budget may not increase its current tax levy by any amount, which would be a reduction of \$2.46 million.**
- **A district may not purchase equipment and there is no community use of facilities unless groups or organizations pay all associated costs.**
- **Reductions from program and administration would need to be made to be in compliance with spending caps.**
- **The Board of Education determines which appropriations constitute ordinary contingent expense.**

School Administrator Salary Disclosure Form

Form Due May 13, 2024

2024-2025 Salary Threshold = \$169,000

In response to legislative efforts to encourage greater cost sharing in service provision and local government administration, we now provide a section for districts that share administrative staff to highlight these efforts for the upcoming school year. Each sharing district should identify in the form the other district(s) with which they will be sharing administrative staff for school year 2024-2025.

If you will be sharing a Superintendent, list the other district (or districts) in the text box. If you will be sharing other administrative staff required to be reported, please send an email to EMSCMGTS@nysed.gov indicating the title of the staff persons(s) as well as the other district(s) involved in the cost-sharing.

The salaries, benefits and other compensation reported in the form should reflect only the financial support or commitment that your district will be making. They should **not** reflect the total amounts budgeted to be paid by all participating districts over the school year.

VAN BUREN ELEMENTARY SCHOOL - NEW YORK STATE REPORT CARD [2022 - 23]

The New York State Report Card is an important part of the Board of Regents' effort to create educational equity and raise learning standards for all students. Knowledge gained from the report card on a school's or district's strengths and weaknesses can be used to improve instruction and services to students. The report card provides information to the public on school/district staff, students, and measures of school and district performance as required by the Every Student Succeeds Act (ESSA). Fundamentally, ESSA is about creating a set of interlocking strategies to promote educational equity by providing support to districts and schools as they work to ensure that every student succeeds. New York State is committed to ensuring that all students succeed and thrive in school no matter who they are, where they live, where they go to school, or where they come from.

2023-24 ACCOUNTABILITY STATUS AND SUPPORT MODEL BASED ON 2022-23 DATA

Due to COVID-19 and changes to New York State accountability and federal reporting requirements, 2023-24 accountability statuses and support models were determined using a modified methodology. For more information, see Understanding the New York State Accountability System under the Every Student Succeeds Act (ESSA) for 2023-24 Accountability Statuses Based on 2022-23 Results.
