

# Baldwinsville Central School District

Home of the Bees

**2023-2024**

**Build  Educate  Empower**

## Superintendent's Message

Dear Parents, Guardians and Staff,

It is my pleasure to welcome you to the 2023-2024 school year and it is my honor to serve as your superintendent of schools.

Our staff is excited to welcome back our returning families and we want to give a special welcome to our new families who are joining us this year. The beginning of a new school year is an exciting time full of new adventures, new challenges and new opportunities. New teachers and new classmates will help to create new memories!

We are starting off this school year with an updated strategic plan that explores and identifies goals and objectives that help us build, educate and empower! The 5-year plan was developed through a collaborative process in an effort to ensure the growth of all students. The plan will be used to assist the Board of Education in identification of priorities and allocation of resources aimed at creating optimal educational experiences, health and safety, fiscal responsibility, and ongoing communication.

We are committed to providing equitable and diverse learning experiences that educate and empower students, allowing each individual to thrive. Our mission is to “foster an environment to educate and empower all students today to become global citizens of tomorrow.”

This school year we have also implemented a new administrative restructuring plan, which includes some new positions and some returning familiar faces. Check out our website to learn more about our new staff changes, including new principals at Ray Middle School and McNamara Elementary School. I’m very excited to work with this highly motivated and talented group of educators.

We are also upgrading the way we communicate with our families. Communication between staff and families is extremely important, which is why we are switching to a new communication platform called ParentSquare. With ParentSquare, a unified app for school communication, parents and guardians can now receive all announcements from the district, their children’s schools and teachers in one place, with options to specify how and when they are notified.

Let’s make the 2023-2024 school year a fantastic year for all students, staff and families! Go Bees!

Sincerely,

Dr. Joseph M. DeBarbieri  
Superintendent of Schools

# Using Our Online Calendar

Not all school events are listed in this calendar and all events are subject to change. For up-to-date information on events and activities, please use the calendar on our website, [www.bville.org](http://www.bville.org).

## Steps to using the calendar:

**Step 1:** Visit [www.bville.org](http://www.bville.org) or use QR Code:

**Step 2:** Scroll down on the homepage to view the list of upcoming events and click on “Full Calendar” or hover over the “District” drop-down menu and click on the calendar icon.

**Step 3:** View the month that you are interested in.

**Step 4:** Click on the event that interests you for more information.

If you have any questions, please reach out to Public Information Specialist Sarah Buckshot at [sbuckshot@bville.org](mailto:sbuckshot@bville.org).

## Transportation

Each year, Baldwinsville buses safely transport thousands of students to and from their homes and to school-sponsored events. School buses are regularly inspected both by state inspectors and district mechanics. Drivers are carefully screened and given periodic defensive driving and safety courses to sharpen their skills. Added to all of the above precautions for student comfort and safety is a district belief that standards of conduct are an individual and joint responsibility. The students, parents and staff need to know and abide by the rules.

## Bus Rules:

- Do not disturb the drivers. Their attention should be on driving.
- Cooperate with the driver and obey his/her reasonable requests.
- Remain in your seat while the bus is in motion.
- Do not throw or carry objects dangerous to yourself or others.
- Keep hands, feet and head inside the bus at all times.
- Be courteous and talk in a normal tone of voice.

# District Information

## About the District

The Baldwinsville Central School District is a moderately sized District comprised of five elementary schools (grades PreK-5), a middle school (grades 6-7), a junior high (grades 8-9) and a high school (grades 10-12). Located in the northwest corner of Onondaga County, the District has about 5,400 students who are drawn from the village of Baldwinsville and the towns of Van Buren, Lysander and Clay.

A large, well-maintained fleet of buses transports children within the District and to alternative educational sites in the metropolitan Syracuse area. The District is proud of its well-balanced educational program, which emphasizes the intellectual, physical, social and emotional growth of each student. The programs provided to students are well-planned, educationally sound and cost-effective.

## District Statistics

District budget for 2023-2024 year .....	\$129,154,122
Number of schools in the District .....	8
Enrollment as of June 2023 .....	5436
Elementary enrollment (grades PreK-5) .....	2508
Middle school enrollment (grades 6-7) .....	846
Junior high enrollment (grades 8-9) .....	824
High school enrollment (grades 10-12) .....	1253

## Annual Budget Vote: May 21, 2024

Residents are asked each year to vote on the annual District budget and the election of new school board members, who serve three-year terms.

This school year's annual budget vote and election is set for May 21, 2024. Voting will be held at the District Operations Building, which is located at 29 East Oneida Street in Baldwinsville.

To be eligible to vote, you must be 18 years of age or older, a citizen of the United States, and a resident of the school District for at least 30 days prior to the vote.

Absentee ballots can be obtained by calling 315-638-6055 or by requesting an application through the District Clerk's Office, 29 E. Oneida St., Baldwinsville, NY 13027. Please vote!

## Board of Education

The Board of Education meets throughout the year. Everyone is encouraged to attend these public meetings to view proceedings on topics of interest or to express opinions.

Board members do not represent particular geographical areas but serve at-large. They do not receive any compensation for their service. They welcome community participation. The superintendent is the executive officer of the board.

Upcoming board meeting dates, agendas, minutes from previous meetings, and other board documents can be found on the district's website, [www.bville.org](http://www.bville.org), under BoardDocs.

## School Board Members

Victor Jenkins, President	Shelly (Michele) Bligh Goeckel
Andrew Henty, Vice President	Donald R. Miller
Wayne Davison Jr.	Tanya Rosado-Barringer
Luke Gasowski	Sam (Sherry) Schraven
Anthony L. Germano	
Mya Pangaro, Ex-Officio Student Member	

## Board of Education Meetings and Workshops:

September 11, 2023 (Meeting)	February 5, 2024 (Meeting)
October 2, 2023 (Meeting)	March 4, 2024 (Meeting)
October 16, 2023 (Workshop)	March 18, 2024 (Workshop)
November 6, 2023 (Meeting)	April 1, 2024 (Meeting)
November 20, 2023 (Workshop)	April 15, 2024 (Workshop)
December 4, 2023 (Meeting)	May 6, 2024 (Meeting)
December 18, 2023 (Workshop)	May 20, 2024 (Workshop)
January 8, 2024 (Meeting)	June 3, 2024 (Meeting)
January 22, 2024 (Workshop)	June 17, 2024 (Workshop)

Board of Education meetings and workshops are held at the Transportation Center, 2810 W. Entry Road. Board meetings begin at 7:00 p.m. and workshops begin at 5:00 p.m., unless indicated otherwise. You can view the agenda for each meeting at [www.bville.org](http://www.bville.org). Click on BoardDocs under the Board of Education tab on the homepage.

# District Information

## Emergency Closings

The decision to close the schools is made by the Superintendent of Schools. When it becomes necessary to close schools because of weather or other emergencies, announcements will be made through local media outlets in the listening/viewing area, as well as the District's messaging system and on social media. This same procedure is used if the closing is during the day. Under these circumstances, students would return home using the normal transportation procedures.

## Non-discrimination Policy

The District hereby advises students, parents, employees and the general public that it offers employment and educational opportunities, including vocational education opportunities, without regard to sex, race, color, national origin, ethnicity, creed, marital status, age, sexual orientation, disability, religion, political application, domestic violence victim status, socio-economic status, and military or veteran status, and it provides equal access to the Boy Scouts and other designated youth groups. Inquiries regarding this non-discrimination policy may be directed to:

Baldwinsville Central School District  
Assistant Superintendent for Human Resources  
29 East Oneida St., Baldwinsville, NY 13027  
315-638-6047

## District Communications

The district communicates with parents and community members on a regular basis, through the following methods:

### Website

Visit [www.bville.org](http://www.bville.org) for the latest District news.

## ParentSquare

Starting this school year, the Baldwinsville Central School District will switch to a new communication platform called ParentSquare. With ParentSquare, a unified app for school communication, parents and guardians can now receive all announcements from the district, their children's schools and teachers in one place, with options to specify how and when they are notified.

PLEASE NOTE: ParentSquare does not replace the phone calls, emails and text messages that have been sent to families in the past. ParentSquare enhances that communication by allowing parents to log into their ParentSquare account online or download the ParentSquare App so they can see all messages sent in one centralized location. This will help us eliminate the issue of missing messages that may be caught up in email spam filters.

By unifying multiple tools into one communications app and service, ParentSquare provides a seamless experience for parents and staff. Parents will be able to keep track of news, activities and events all in one place.

The district hopes that ParentSquare's intuitive, two-way platform will foster greater communication and family involvement. With ParentSquare, parents can enjoy photos posted by teachers, fill out forms and permission slips, sign up for parent-teacher conferences and much more. School staff and parents can engage in both one-to-one and group messaging with real-time language translation.

## The Hive

The District publishes "The Hive" newsletter to keep you up-to-date on student and staff achievements, district programs, initiatives and events.

# District's Code of Conduct

The Code contains the rules for conduct on District property and at District functions, as well as the penalties for unacceptable conduct. The Code applies to all activities in the school setting, and is not restricted to classroom settings. Students, parents, visitors, and District employees all have responsibilities regarding the education of the District students and are subject to the Code while on District property or at District functions.

The District expects students to come to school prepared to learn, and to conduct themselves in a safe and respectful manner while at school. Parents are expected to cooperate with the District in the education of their children, and to communicate with appropriate school personnel regarding questions or concerns. Teachers are expected to be prepared to teach and to strive for an atmosphere of mutual respect in the classroom. Administrators are responsible for promoting a safe, healthy, and stimulating academic environment that is conducive to learning and student success.

The Code of Conduct has been revised, effective July 1, 2023.

## Student Rights and Responsibilities

### A. Rights

A right is a privilege to which one is justly entitled. Every student has the following rights:

1. Equal Educational Opportunity. The District will provide all students with an equal opportunity to acquire an education without interference from other students until age twenty-one, or until graduation if that occurs prior to age twenty-one.
2. Learning Environment. All students have the right to a safe and orderly classroom environment that will provide the opportunity for optimum learning.
3. Privacy. All students have the right to privacy, and shall be free from unreasonable search and seizure on District property and at District functions. However, since desks and lockers are District property, the District has the right to search desks and lockers at any time. Moreover, a student will be deemed to have consented to the search of his or her motor vehicle as a condition of the privilege of parking said vehicle on District property.
4. Student Records. Students, parents, and legal guardians have the right to have access to official student school records as provided by law. District personnel will work with parents/ guardians to determine an appropriate time and method for the presentation of this material.
5. Expression. Students are entitled to express their opinions verbally or symbolically at appropriate times and in an appropriate, respectful manner. This right does not entitle students to spread misinformation, slander others, display inappropriate material or otherwise infringe on the rights of others.
6. Due Process. When faced with possible discipline, students

have the right to the procedural due process set forth in this Code.

7. No bullying, discrimination or harassment. Students shall be free from bullying, discrimination and harassment on school property or school functions including but not limited to the educational program, activities, or admission policies of their school. Such conduct shall include, but is not limited to, threats, intimidation or abuse based on a person's actual or perceived race, color, weight, national origin, ethnic origin, ethnic group, religion, religious practices, disability, sex, sexual orientation, gender (including gender identity and expression) or any other legally protected status.
8. The Right to Resolve Grievances. Students have the right to air grievance problems and concerns through legitimate channels provided by the school and District.

### B. Responsibilities

A responsibility is an obligation one has in order to retain the privileges associated with a right to certain freedoms. As representatives of the District, students who participate in school-sponsored activities outside of the school day remain subject to the expectations outlined by the Code of Conduct, the Code of Conduct for Student Athletes, and relevant supplemental contracts and criteria. Students are accountable for their own behavior on District property and at District functions, and are expected and encouraged to meet the following responsibilities:

1. Take Advantage of the Opportunity to Study and Learn. Students should take advantage of the academic opportunities offered at school, and support and participate in school activities. Students should also cooperate with school personnel at all times.
2. Acknowledge the Rights of Others to Study and Learn. Parents/guardians send their children to school to obtain an education. An individual student may decide not to take advantage of the opportunity. However, no student has the right to interfere with the education of others. Students have the responsibility to respect the rights of others to study and to work and to conduct themselves with respect toward self, fellow students, staff, and administration.
3. Attend School Daily Unless Ill or Excused. Schools cannot educate students who do not attend class. Students will attend school regularly and punctually. Students who enter a classroom after a lesson has begun are interfering with the rights of others to learn and study. Only excused absences will be allowed.
4. Obey All School Rules. Rules are created to provide the process for a school to educate students. Schools cannot achieve this goal if they are required to expend valuable instructional time maintaining order. Students must obey the rules established by this Code.
5. Volunteer Information and Cooperate with the School Staff in Disciplinary Cases. Every community depends upon the willingness of citizens to play a part in upholding the rules by which

everyone has agreed to live.

6. Come to School with the Necessary Books and Materials. A teacher should not have to delay starting class because a student has come unprepared to work. This interferes with the rights of others to learn and study. Getting an education requires more than being in class, just as keeping a job requires more than showing up for work. Students are expected to come to school with the proper books and materials.

7. Complete In-Class, Homework Assignments and Meet Deadlines In A Timely Manner. Students, parents/guardians and teachers share in the responsibility for learning. Everything that must be learned cannot be accomplished during the school day, and, therefore, some homework should be expected each day, depending on the grade level. Strive to work up to your capabilities. Complete homework thoroughly and on a daily basis.

8. Respect Public Property and Carefully Use and Return Materials and Equipment. Schools represent a gift of the community to its young people. It is wrong to abuse that gift. Such abuse forces the community to spend additional money in order to provide the same opportunities for those students who will use the school after you. Students are required to respect public property. Respect private, public, and school property.

9. Ensure That School Correspondence for Parents/Guardians Reaches Home. Education requires a partnership between parents/guardians, students, and the school. For a partnership to work, everyone must know what is happening, good and bad. Sometimes students are asked to be the messenger.

10. Remain on School Property During the School Day. A student may leave District property during the school day only if the parents/guardians has requested permission to do so, and the request has been granted by an administrator, nurse, or attendance clerk.

11. Act Appropriately. Be self-controlled, reasonably quiet and non-disruptive in classrooms, hallways, study areas, school buses, on school property, at school activities, and assemblies.

12. Be Respectful of Others. Be reasonable, modest, self-controlled, non-suggestive and considerate in your relationships with other students. Strive for mutually respectful relationships with teachers. Keep your language and gestures respectful and refrain from using vulgar, profane, or obscene or inappropriate language.

**REPORTING:** Anyone who believes he/she has been subjected to discrimination, harassment, bullying or retaliatory behavior or has witnessed any possible occurrence of such conduct should immediately report same to any staff member or administrator.

**REVIEW OF CODE:** Anyone can review the Code of Conduct at any school or online at [www.bville.org](http://www.bville.org).
