# Brick Order Form

## Mexico Academy Educational Foundation Restoration Project Mexico Academy and Central School, Mexico, NY 13114

The Mexico Academy Educational Foundation will be continuing the sale of commemorative bricks in the front sidewalk at the high school. The brick project was started by the Class of 1999. The paving bricks, many of which are individually engraved, have made a striking improvement to an already beautiful building.

Engraved bricks can be purchased for \$50 each by *completing the information at the bottom and on the reverse side* of this form. A personalized "commemorative certificate" will be sent for each brick purchased. The certificate is suitable for framing and makes the inscribed bricks excellent birthday or graduation gifts.

Become a permanent part of the Mexico district community by purchasing a brick.
