### Permission to attend the Early College High School HS Program

I provide my support for my child to attend G. Ray Bodley Early College High School HC Program.

I accept that my child may enroll in the Early College High School HC Program. I realize that students participating in the program must be enrolled as a non-matriculated student at Cayuga Community College and that her/his grades in the college level classes will become part of her/his college transcript. I also understand that the academic calendar for Early College High School HC classes may be different from the G. Ray Bodley High School calendar and may require summer courses.
