

EMT Academy

Earn While You Learn!!

Menter Ambulance is offering an opportunity for people to be paid while training to become a New York State certified Emergency Medical Technician (EMT). Menter Ambulance and the Oswego County Emergency Management/ Emergency Medical Services Office are working together to provide the EMT Academy Program which includes the NYS EMT-B training course.

You will receive your EMT classroom and lab training from NYS Department of Health certified instructors at the Menter Ambulance facility in Fulton and gain field experience working alongside the ambulance crews while completing your training. There is no cost to the selected candidates for the training class tuition, books, or uniforms. The program will be rigorous, fast paced, and challenging, just like working in the field!

Candidates selected for this program will be employed by Menter Ambulance as full-time employees. A training wage will be paid for 40 hours per week until the individual receives their NYS EMT certification and clearance to practice at Menter Ambulance. At this point the pay rate will be increased. Candidates will be required to work full-time for Menter Ambulance for at least two years after receiving their NYS EMT certification and successful completion of the Academy requirements.
