# MEXICO HIGH SCHOOL COLLEGE PLANNING PACKET

It is not in the stars to hold our destiny but in ourselves. ~ William Shakespeare

### **College Application Procedure Sheet**

If you are applying to a four-year private college and/or a four-year SUNY school, you will be using both Naviance and Common Application to complete your application process. All Community Colleges will have an online application that you can fill out individually via their websites.

Common Application is how you apply to college.

Naviance is how your transcript and letters of recommendation are submitted to those colleges.

Please read carefully and follow the steps below to streamline the application process.

### Step 1 Use your Naviance account to develop a realistic list of colleges

- a) Click on "College's tab" and go to the "Colleges I'm Thinking About"
- b) Add Colleges to list and review current list of colleges you are thinking about
- c) Edit / Finalize your list of colleges

### Step 2 Register with Common Application (CA)

(All students who are applying to four year private and four year SUNY schools **MUST** create a Common App Account)

- a) Go to commonapp.org
- b) Register with Common App and create account
- c) Remember CA username and password
- d) Add colleges you are going to apply to into Common App
- e) Complete and submit college applications on Common App

### Step 3 Use Naviance to complete FERPA form

- a) Click on "College" tab and go to "Colleges I'm Applying to"
- b) Complete FERPA and enter Common App username and password
- c) Submit FERPA on Naviance

#### Step 4 Use Naviance to add Colleges I'm Applying to

- a) Click on "College" tab and go to "Colleges I'm Thinking About"
- b) Select colleges you are going to apply to and click "Move to Application List"
- c) Your colleges will now appear in "Colleges I'm Applying To"
- d) Application Types: RD (Regular Decision), EA (Early Action), or ED (Early Decision), then click "Add Applications"
- e) I'll submit my application: Click "Via Common Application"
- f) Request transcript from your counselor (electronically, in person, or by email)
- g) Check "I have submitted my application" when done

#### Step 5 Teacher Letter of Recommendation

(Please be aware of how many recommendations each college allows and select your teachers accordingly)

- a) Ask teacher in person for a letter of recommendation
- b) Go to Naviance and click on "College" tab
- c) Click on "Letters of Recommendation"
- d) Click on "Add Request" and use drop down menu to select teacher
- e) Select which colleges you would like the teacher's letter to go to, or select all colleges
- f) Add note (optional) then "save"
- g) Send Thank you card to teacher

## <u>VERY IMPORTANT:</u> The colleges on Common Application MUST match the "Colleges I'm Applying to" list on Naviance in order for your colleges to receive your transcript, letters of recommendation, and other required documents. Please be sure to verify this!

### **Alternate Application Procedures**

### If you are ONLY applying to a 2-year college then.....

- You will not need to use Common Application and can skip steps 2 and 3
- You will still use Naviance and should follow steps 1 and 4
- Your transcript can be submitted electronically or by mail

### If you are ONLY applying to SUNY schools, then....

- You will not need to use Common Application
- You will need to create an account with SUNY.edu
- Your transcript can be submitted electronically
- You will still use Naviance and should follow steps 1, 4, and 5

### If you are applying to a 4-year college that does not use Common Application, then...

- You will still use Naviance and should follow steps 1, 4, and 5
- Your transcript and letters of recommendation can be submitted electronically via other online application provider (sendedu.org, Universal College App, etc.) college email address, or by mail. Please notify counselor of delivery type and provide any necessary forms.

### If you are using paper applications then.....

- You will still use Naviance and should follow steps 1, 4, and 5
- Provide your counselor with the application

### Please remember

No matter which way you apply, you need to let your counselor know to send your transcript, counselor letter, and teacher letters of recommendation, <u>one week or more before your application</u> <u>due date.</u>

### IMPORTANT NOTE:

Your SAT and/or ACT may be on your transcript. Please check with each college website to verify if your standardized test scores (SAT/ACT) need to be sent directly to the college from the testing agency.

**Educational Opportunity Program** 

NEW YORK STATE RESIDENTS ONLY

### What is it?

The State University of New York's Educational Opportunity Program provides access, academic support and financial aid to students who show promise for succeeding in college but who may not otherwise be offered admission. Available to first-time, full-time, matriculated students, the program supports students throughout their college careers within the University.

### **Support Services**

Educational Opportunity Program students receive both academic and financial support. Academic support services may include: personal counseling, academic advisement, tutoring, skill development workshops, supplemental instruction and mentoring. As part of the student's overall financial aid package, the Educational Opportunity Program provides modest financial aid to alleviate non-tuition expenses (e.g., books, supplies, etc.).

### **Campus Participation**

The Educational Opportunity Program is available at all SUNY campuses with the exception of: Cayuga County, Clinton, Columbia-Greene, Corning, Herkimer County, Jamestown, North Country, Rockland, Sullivan County and Tompkins Cortland Community Colleges.

### Fee Waiver

Students submitting applications for EOP consideration may qualify for application fee waivers for their first seven campus choices. If the applicant does not meet both academic and economic eligibility guidelines or, if the campus does not operate an Educational Opportunity Program, the student will be billed for the fee.

### Who is eligible?

To be eligible for admission to the Educational Opportunity Program a student must: 1) be a New York State resident for 12 months prior to enrollment; 2) require alternate admissions consideration; and 3) qualify as economically disadvantaged according to the guidelines indicated. In selecting students for the program, priority is given to applicants from historically disadvantaged backgrounds. Admission is subject to program capacity.

To be eligible for the program as a transfer, a student must have been enrolled in the EOP, CD/SEEK, HEOP or a similar program at his or her previous college. If the previous college did not have EOP or a similar program, the student may receive consideration for transfer eligibility and should notify the college to which he or she is transferring.

### Academic Eligibility

Academic eligibility will vary by campus. To view the EOP freshman profile for each campus, visit www.suny.edu/eop-academics.

### **Financial Eligibility**

The table to the right lists financial guidelines for Educational Opportunity Program eligibility. To be determined economically disadvantaged, a student's household income must not exceed the amount shown for its size, or the student's circumstances must conform to one of the exceptions indicated. Eligibility guidelines may be adjusted slightly each year.

NOTE: Applicants who are deemed ineligible for EOP may still qualify for admission and financial aid through other admissions processes.

### EOP Income Guidelines 2022-23

Household Size (including head of household)	Total Annual Income
1	\$23,828
2	32,227
3	40,626
4	49,025
5	57,424
6	65,823
7	74,222
8	82,621*

\*Plus \$8,399 for each additional household member in excess of eight.

### Exceptions to Income Guidelines

- > The student's family is the recipient of Family Assistance or Safety Net payments through the New York State Office of Temporary and Disability Assistance; or through a county Department of Social Services; or Family Day Care payments through the New York State Office of Children and Family Assistance;
- > The student is in foster care as established by the court;
- > The student is a ward of the court or county.

## College Planning: 12th Grade

Want to know if you're on track in the college application process? This checklist shows you what you should be doing, and when. When you complete steps marked with \* you may be eligible for

College Board Opportunity Scholarships. Learn more at: **cb.org/opportunity**.

### FALL

 Strengthen Your College List\*: Meet with a counselor about your college choices and, if you've not yet done so, download college applications and financial aid forms.
 Make sure you have a balanced list of academic safety, fit, and reach schools. Plan to visit as many of these colleges as possible.

### Create a master list or calendar that includes:

- Tests you'll take and their fees, dates, and registration deadlines
- College application due dates
- Required financial aid application forms and their deadlines (aid applications may be due before college applications)
- Other materials you'll need (recommendations, transcripts, etc.)
- Your high school's application processing deadlines
- Ask a counselor to help you request a fee waiver if you can't afford application or test fees.
- Improve Your Score\*: Many seniors retake the SAT in the fall. Additional coursework and practice with Official SAT Practice on Khan Academy<sup>®</sup> since your last test could help you boost your performance. Plus you already know what to expect on test day.
- ☐ **Be sure** to have your SAT scores sent to the colleges to which you are applying.

- Complete the FAFSA\*: To apply for most financial aid, you'll need to complete the FAFSA. Oct. 1 is the first day you can file the FAFSA.
- □ Complete the CSS Profile: CSS Profile<sup>™</sup> is an online application used by certain colleges and scholarship programs to determine eligibility for their aid dollars.
- □ Prepare early decision/early action or rolling admission applications as soon as possible. Nov. 1–15: Colleges may require test scores and applications between these dates for early decision admission.
- Ask a counselor or teacher for recommendations if you need them. Give each teacher or counselor an outline of your academic record and your extracurricular activities.
   For each recommendation, provide a stamped, addressed envelope and any college forms required.
- ☐ Write first drafts and ask teachers and others to read them if you're submitting essays. If you're applying for early decision, finish the essays for that application now.
- Apply to College\*: Submit your applications to the schools that you want to attend.
- Ask counselors to send your transcripts to colleges. Give counselors the proper forms at least two weeks before the colleges require them.

### WINTER

- Keep photocopies as you finish, and send your applications and essays.
- Give the correct form to your counselor if the college wants to see second-semester grades.
- Have your high school send a transcript—it is sent separately by mail to colleges if you apply online to colleges.

### SPRING

- □ Keep active in school. If you are waitlisted, the college will want to know what you have accomplished between the time you applied and the time you learned of its decision.
- □ Visit your final college before accepting. You should receive acceptance letters and financial aid offers by mid-April. Notify your counselor of your choice. If you have questions about housing offers, talk to your counselor or call the college.
- Inform every college of your acceptance or rejection of the offer of admission and/or financial aid by May 1.
   Colleges cannot require your deposit or your commitment to attend before May 1. Talk to your counselor or adviser if you have questions.
- Send your deposit to one college only.
- ☐ **Take any AP® Exams.** Show what you've learned in your AP classes. A successful score could even earn you credit, advanced placement, or both in college.

- ☐ Waitlisted by a college? If you intend to enroll if you are accepted, tell the admission director your intent and ask how to strengthen your application. Need financial aid? Ask whether funds will be available if you're accepted.
- Work with a counselor to resolve any admission or financial aid problems.
- Ask your high school to send a final transcript to your college.
- Review your financial aid awards: Not all financial aid awards are the same, so it's important to choose the aid package that's best for you and your family. Be sure to note what you have to do to continue receiving financial aid from year to year, and how your aid might change in future years.

## How to Apply for Student Financial Aid

Federal aid includes Pell Grants, Work-Study, Perkins Loans, Supplemental Educational Opportunity Grants, and federal student loans.

New York State financial aid includes the Tuition Assistance Program (TAP), Excelsior Scholarships, Enhanced Tuition Awards, Aid for Part-Time Study (APTS), scholarships and other numerous special awards.

Financial aid from colleges can be in the form of institutional grants, scholarships, work programs, or loans.

### It all starts with completing the FAFSA - the Free Application for Federal Student Aid.
