

ST. HELENA UNIFIED SCHOOL DISTRICT

2023-24 Original Budget Report

Adoption at the June 15, 2023 Regular Meeting of the Board of Trustees

Prepared by Andrea Stubbs, Chief Business Official

General Reserve

`

- Current reserve policy is ten percent (10%) of general fund expenditures; this is accomplished with the use of both the General Fund (Fund 01) and the Special Reserve Fund (Fund 17) available balance. 10% of general fund expenditures in 2023-24 is estimated at \$4,478,970.
- In addition, the District has a goal of achieving a secondary reserve totaling thirty-three percent (33%) of excess property taxes, approximately \$8,170,924 in additional reserves. It is anticipated that the District will have a reserve of approximately \$4,410,425 in 2023-24 (between Fund 01{General Fund} and Fund 17 {Special Reserve for Capital Outlay}) beyond the 10% reserve, after assigned set-asides (see section entitled "Fund Balance Assigned Set-Asides"). The current estimated reserve for 2023-24 is 19.85% between the Fund 01/Fund 17 available reserves combined. The reserve would have to be 28.60% to achieve the District's goal of 10% of general fund expenditures and 33% of excess property taxes.
- The District will continue to build towards achieving the secondary reserve (33% of excess property taxes). A recommendation on a transfer amount to Fund 17 (Special Reserve) may be brought to the Board for consideration of approval during the year-end closing process for 2023-24.

NOTE: On October 11, 2017 Governor Jerry Brown signed the Reserve Cap Bill (Senate Bill {SB} 751) which makes changes to the existing school district reserve cap law, exempting "basic aid" school districts and those with fewer than 2,501 average daily attendance from the reserve cap requirement.

REVENUE ASSUMPTIONS – Unrestricted General Fund

Property Tax Revenue

"District of Choice" Revenue

- Taxes are budgeted at a 3.0% increase above 2022-23 estimated actuals. No taxes are included for the Howell Mountain or Pope Valley High School students.
- The 2023-24 Budget includes estimated revenue in the amount of \$167,509 for the "District of Choice (DOC)" program. Assembly 185 extends the sunset for the statutes that govern the DOC program from January 1, 2023 to January 1, 2028. 2023-24 may be the last year of funding for the DOC program as the SHUSD Board of Trustees may be asked to review and consider approval of a new inter-district transfer application process for 2024-25 and beyond.

Local Control Funding Formula ("LCFF")

- LCFF is the State funding model for most State Educational Programs. Since SHUSD is a "basic aid" District, it receives only two of the LCFF funding components:
 - Minimum guarantee for previous categorical programs, estimated to remain stable at approximately \$481,492.
 - Education Protection Account (EPA) entitlement associated with Prop. 30, estimated to remain stable at approximately \$243,410.

Lottery

Current estimates are \$170.00 Lottery ADA for the unrestricted lottery amount, and \$67.00 Lottery ADA for the restricted lottery revenue. Lottery funds are used for site budgets for supplies and materials.

Mandated Costs

■ The District participates in the Mandated Block Grant program which is estimated and budgeted at \$37.78 per K-8 ADA plus \$72.78 per Gr. 9-12 ADA in 2023-24.

Other Local Income

- Occasionally, the State pays additional amounts for certain prior year mandate reimbursements. Such revenues are not budgeted until amounts are known.
- Other Local Income includes facility rentals, interest on funds held by the County and other local surplus sales or donations that are not tied to specific locally restricted programs or activities. The District budgets only the likely recurring local income until additional amounts are known.

NOTE: See the "Supplemental Information – Resource Allocation" section for additional details.

REVENUE ASSUMPTIONS – Restricted General Fund

LCFF Sources

• The District receives certain property taxes designated by the County and SELPA specifically for Special Education services. These amounts are estimated to remain stable at approximately \$981,278.

Federal Categorical Programs

These programs include Special Education base and discretionary grants, Title 1, Title II, Title III, Title IV, and Vocational Education grants. Revenues are updated to reflect on-going allocations plus any known one-time grants for 2023-24.

■ ESSER III (federal COVID-19 relief funds): Estimated balance available for spending in 2023-24: \$987,589 (SACS Resource 3213). This amount is allocated towards the SHHS Roof Renovation Project and temporary staffing. ESSER III Learning Loss allocation remaining: \$237,308. (SACS Resource 3214). This amount is allocated to staffing in 2023-24. ESSER II/III State Reserve, Learning Loss allocation remaining: \$0.00. (SACS Resources 3216/3217/3218/3219). These resources were spent in 2022-23.

Other State Programs

- These programs include Special Education, Lottery Instructional Materials, and Vocational Education. Revenues are updated to reflect on-going allocations plus any known one-time grants for 2023-24.
- An Educator Effectiveness Grant in the amount of \$390,439 was awarded in 2021-22. The District has five years to spend the funds. Approval of the required expenditure plan occurred during the December 18, 2021 Regular Board meeting. The estimated beginning fund balance in 2023-24 is \$276,815.
- Approximately \$487,608 is granted in 2022-23 under the Expanded Learning Opportunities Program, which the district will spend in 2023-24. These funds are intended to support expanded learning and enrichment after school and during school breaks for students in grades TK-6 and is part of the Principal Apportionment.
- Special Education SELPA transfers are budgeted as determined by the SELPA. NOTE: The District currently receives Educationally-Related Mental Health (ERMH) funding, which is used to meet the mental health needs of Special Education students. This funding is currently being audited by the state, and may be decreased or eliminated in the future. For 2023-24, \$78,154 of restricted revenue is budgeted based on preliminary estimates from the SELPA. Most of this revenue is applied towards the portion of the contract with Upvalley Family Centers that provides mental health support for students in the Special Education program, based on the services indicated in their Individual Education Plans (IEP's). Any remainder in excess of that amount is applied towards a portion of the salaries for district employees who help to manage mental health services for students based on their IEP's. Restricted Title IV Student Support funding is also used to support these expenses also, in the amount of \$18,982 in 2023-24. The remaining costs of \$125,044 will be assigned to any

remaining one-time COVID-19 response funding as allowable (e.g. ESSER/GEER funding); and/or the unrestricted General Fund. The total estimated cost of Upvalley Family Center contract in 2023-24 is approximately \$222,180.

- One-time State funding granted in prior years that may have carryover to spend in 2023-24 include the Universal Pre-K Planning Grant (estimated balance of \$45,875 in 2023-24; Kitchen Infrastructure and Training funds (estimated balance of \$29,543) and the A-G Success/Learning Loss Mitigation Grant (\$52,649 and \$13,596 respectively). In addition, an Ethnic Studies grant is expected to have a beginning balance of \$11,863 in 2023-24.
- A one-time Arts, Music and Instructional Materials Block grant was awarded in 2021-22 with an estimated total allocation of \$489,530. These funds, which are available for encumbrance through the 2025-26 fiscal year, require a plan for spending which was Board-approved on February 15, 2023. The plan includes detailed information on budgeted expenditures under allowable categories.
- Ongoing funding for arts and music in schools is allocated through Proposition 28 beginning in 2023-24. The estimated annual amount for SHUSD is \$166,174. At least 80% of these funds must go to hiring arts and music staff.
- A one-time Learning Recovery Block Grant was allocated in 2022-23 in the amount of \$1,246,682. The Board approved a plan to shift allowable expenses to this resource (with support from the district's independent financial auditors and the Napa County Office of Education), freeing up general fund monies to use towards the RLS Track and Field Renovation project during the August 18, 2022 Board meeting. It is expected that this project will be completed in the 2023-24 school year.
- A one-time allocation of \$______ is budgeted in 2023-24 to support high school seniors through access to cultural enrichment experiences through the Cultural Enrichment Experience grant.
- Donations from Parent-Teacher groups, the St. Helena Public School Foundation, the Coppola grant, and others are budgeted when received; along with scholarship

revenue. See the Supplemental Information – Resource Allocation" section for additional details.

In 2023-24, two new grants are available to help support the student health center currently under development at SHHS: The Mental Health Student Services Act grant in the amount of \$35,000 annually over four years, and the Student Behavioral Health Incentive Program (SBHIP) in the amount of \$24,000 annually over two years.

- No retirement incentive is offered in 2023-24. The last incentive was offered in 2022-23 per the Collective Bargaining Agreements (CBA's) between SHUSD and the St. Helena Teachers' Association (SHTA) and the California School Employees Association (CSEA) #287 and paid in one lump sum during the 2022-23 school year.
- The % increase on the highest premium paid by the District for medical benefits effective January 1, 2023 through December 31, 2024 (Kaiser) is 6.75% for single coverage, 6.75% for dual coverage, and 6.75% for family coverage. A projected 10% increase on benefits is budgeted effective

January 1, 2024. Dental and vision premium rates are expected to remain the same in 2023-34 compared with 2022-23.

Other Post-Employment Benefits (OPEB)

The District pays 100% of the least costly individual medical insurance monthly premium for eligible retired unit members until Medicare eligibility. Beginning in 2018-2019, the budget includes a minimum of \$50,000 annually to be deposited into a trust established for the purpose of reducing the long-term costs of OPEB. (The Board of Trustees granted approval to establish an OPEB trust on August 9, 2018).

Universal Transitional Kindergarten

• Assembly Bill (AB) 130 requires school districts to expand their TK programs to include four-year-old children whose fifth birthdays occur between September 2 and February 2 in the 2022-23 school year, and by an additional two months each year until 2025-26 when all four-year-old children in California will have access to a TK program. Staff is currently reviewing implications for staffing and other budget considerations for the 2023-24 school year and beyond.

Textbooks

■ \$275,000 is budgeted for both regular consumable and/or replacement materials that align with Common Core state standards, TK-12, and textbook adoptions (from both restricted and unrestricted sources).

School Safety

■ Approximately \$15,000 districtwide is allotted for expenses related to school safety (emergency supply replacements, walkie-talkies, trainings, etc.) using Safety Credit funding through the District's insurance group (North Bay Schools Insurance Authority {NBSIA}).

Other Supplies, Utilities, and Contracted Services

 The budget reflects historical budget amounts and projected spending for other supplies, utilities, and contracted services.

Aquatic Center

■ The Aquatic Center budget in 2023-24 will be adjusted based on an analysis of prior-year actual costs. The District will contract with the Waves Aquatics of Napa Valley (WANV) for pool programming/management during the summer of 2023. District staff will also pursue partnerships with other local entities for future pool programming.

Copy Machine Leases

• The General Fund will continue to fund school copy machine lease and maintenance payments.

Professional Development, The 2023-24 Budget includes \$250,000 for district-wide **Conferences, Workshops** professional development (conferences/workshops). These costs are assigned to restricted funds when appropriate. This budget includes an allocation for the governance team (Superintendent, Board of Trustees) of \$20,000 for advocacy and special training (in addition to the annual California School Boards Association {CSBA}conference, which is also included in the overall budget for professional development). **Summer School** Summer school is budgeted at \$135,000, which includes general/special education programming, enrichment offerings (through the Boys and Girls Club), transportation, food services, and supplies/materials. Restricted funds are used first to cover costs when possible (e.g. Expanded Learning Opportunities grant funding is used for enrichment programming at the Boys and Girls Club, and special education funding is used to pay for required "Extended Year" programming costs. **Furniture and Equipment** The Budget includes \$30,000 for repair/replacement of classroom furniture and equipment annually, with a goal of selecting replacement classroom furniture that supports collaborative learning and innovative instruction. Other Districtwide **Programs and Services Restricted Routine** Districts that have received State Prop.1A funds for modernization of facilities are required to budget a certain **Maintenance Account** amount of the budgeted General Fund expenditures in a (RRMA) Routine Maintenance account to be used for ongoing and deferred maintenance, unless the District is exempt because of its small size under California Education Code Section 17070.75(b)(2)E. It is anticipated that the District will be exempt next year as average daily attendance is estimated to be below 1,200. **Maintenance and Deferred** The State previously contributed \$64,000 annually to the District's Deferred Maintenance program and the District **Maintenance Programs** matched this amount. Subsequently, the State's contribution was "rolled into" LCFF funding. The contribution to Fund 14 in 2019-20 through 2020-21 was decreased by approximately the amount of the increase to the Routine Restricted Maintenance account as required by law (described above). The contribution for 2021-22 was

frozen due to the anticipated budgetary impact of the

COVID-19 pandemic and Glass/Hennessy fires. Beginning in 2022-23, the contribution is \$300,000.

Beginning in 2016-17, the Budget included a \$350,000 transfer to Fund 40 (Special Reserve for Capital Outlay) in order to address "warm/safe/dry" long-term maintenance needs per the District's site maintenance assessments, and to fund set-asides for the replacement of artificial turf (SHHS), the pool liner (Aquatic Center), and solar panels (RLS); in addition to a major HVAC/roofing project that will be needed at the elementary school by the year 2025.

From 2017-18 through 2020-21, the total contribution to Fund 40 (Special Reserve for Capital Outlay) was \$400,000 annually (\$350,000 for maintenance needs described above, and \$50,000 for three years for a school bus lease).

The contribution for 2021-22 was frozen due to the anticipated budgetary impact of the COVID-19 pandemic and Glass/Hennessy fires.

If there is an increase to the unrestricted fund balance at June 30, 2024, the CBO will recommend an amount to contribute to Fund 40 for high-priority facilities projects and replacement needs (e.g. turf).

- Approximately \$1,000,000 is budgeted in Resource 0707 for all Information Technology (IT) expenses in 2023-24 (device replacement, infrastructure costs, other hardware, telecommunications, software licenses, and photocopier/scanner costs). Incoming Kinder, 3rd and 6th graders receive new Chromebooks, and incoming 9th graders receive new laptops as part of the district's mobile 1:1 device refresh program. Classroom projection and audio technology is replaced as needed under the "Future Ready Classrooms" program using one-time reserves (see "Assigned Set-Aside" section below).
- Approximately 200 wireless "hot spots" and licenses were purchased in 2019-20 and 2020-21 to support students in distance learning during the pandemic. Approximately 50 of these "hot spot" licenses will be retained in 2023-24 and beyond to support students' home access to Internet connectivity as needed, e.g. for economically disadvantaged students. Staff is also evaluating the use of broadband hardware within student devices as an alternative to providing internet access at home.

Technology Budget

Transition Program

A "Transition Program"—was implemented in 2021-22 to support 18-22 year-old students who receive Special Education services through the district. A budget of \$5,000 for supplies, materials, support services, equipment, and other costs is established for 2023-24.

St. Helena Preschool

The District contributes up to \$30,000 annually for scholarships following a yearly review of revenue and program needs.

Food Service Program Contribution

The District currently contributes to the Food Service Fund to balance the available revenues with the expenditures in the fund. Beginning in 2022-23, California became the first state to implement a statewide Universal Meals Program for all school children. The estimated contribution for 2023-24 is \$483,019. This amount may be adjusted up or down dependent upon reimbursements received for breakfasts and lunches under the new program; and possible increases to labor hours to support the increase in meals served.

Transportation

Beginning in the 2020-21 school year, the district took over operations of the home-to-school transportation program. Two full bus routes and at least one van or small bus route is planned for 2023-24 using district employees and district-owned busses. The transportation budget for 2023-24 is \$672,255 which includes costs associated with transporting district students who receive Special Education services to non-public school placements outside the area, as required per their Individualized Educational Plans (IEP's). Changing fuel costs have been taken into consideration in the preparation of the transportation budget. In 2023-24, the district is expected to receive approximately \$111,000 in state reimbursement towards the cost of transportation.

SHUSD Superintendent's Subcommittees and Initiatives

<u>2023-24 SHUSD Board Trustee/Superintendent's Subcommittee/Initiative Budgets:</u>

-Equity, and Inclusion Committee: \$4,000

-Wellness and School Climate Committee: \$4,000

Parent Education

Prior to 2022-23, parent education expenses were coded to a variety of accounts and included under the District's budgets for curriculum and professional development. Beginning in the 2022-23 school year, a centralized budget of \$10,000 is established in an unrestricted account to cover parent education expenses not covered with restricted funds. | | ■ The budget includes funding each year to replace General Fund purchases of technology consumables (computers, tablets, and associated hardware – see Technology Budget above). |
| Grants | Ongoing grant funding is projected to remain stable in 2023-24 and beyond. Positions funded by those grants are also expected to continue. |
| | A one-time Kaiser grant was received and accepted by the Board in 2017-2018, in the amount of \$381,000. A plan was established to support the cost of student/staff wellness and field trips over five years, beginning in 2018-19. The grant may be used for any educational purpose. The unspent balance of approximately \$100,647 will be used in 2023-24 to support the Outdoor Education and Yosemite field trips as described in the "Enrichment/Enhancement Contribution" section below. |
| School Site Discretionary Allocations: | Continue/increase the current level of funding for school sites. Following are examples and highlights of their discretionary allocations: |

SUPPLEMENTAL INFORMATION – SHUSD RESOURCE ALLOCATION

SOURCES AND USES OF FUNDING:

District Funds are made up of "unrestricted" and "restricted" resources:

<u>Unrestricted Funds</u>: These include Local Control Funding Formula (LCFF) sources (property taxes, some sources of state aid, District of Choice {DOC} revenue), unrestricted Lottery revenue, Mandated Block Grant funding, and local revenue such as interest and facility use income. Unrestricted funds are available for the general and discretionary needs of the district.

<u>Restricted Funds:</u> Restricted revenue typically comes from state and federal sources that have specific requirements/criteria for spending (examples include federal Title I, II, III and IV funds, Special Education funds, the Educator Effectiveness Block Grant, the Expanded Learning Opportunity Program grant, etc.)

District unrestricted and restricted funds are used to cover all of the basics associated with providing a free public education for all students in grades TK-12 (and through age 22 for students eligible for special education "transition" services). Examples of basic expenses include staffing (salary and benefits), textbooks, curriculum materials, professional development and training, supplies and equipment, technology infrastructure and devices, food services, transportation where required per legal statute (special education) or Board policy, required furniture and equipment, administrative and student support services, professional services, and expenses associated with providing clean, safe buildings and grounds. Restricted federal/state funds are spent first towards these endeavors as allowable to preserve unrestricted funding sources, which are more flexible.

District funds are also used to cover some expenses that are not required, but rather serve to enhance or enrich the core curriculum and educational experience provided to students; for example, sites are given discretionary funding that can be used towards field trips, assemblies, student wellness activities and the like. District funds are not adequate to cover *all* desired enrichment and enhancement activities and programs, however; even in well-funded districts such as SHUSD. Even in years when a budgetary surplus is projected, adequate reserves must be maintained to cover large one-time expenses such as deferred maintenance projects, address unexpected operational costs, and ensure that financial obligations can be met when revenues decrease.

Providing a wide array of enrichment and enhancement opportunities supports the district's vision of giving all SHUSD students an exceptionally high-quality education in engaging and dynamic learning environments that inspire a passion for learning and promote increased academic achievement, which are key focus areas of the Local Control and Accountability Plan (LCAP). Enrichment/enhancement programs and activities support "whole child" development by encouraging curiosity and lifelong learning, allowing students to explore personal interests, develop talents and abilities, learn about career options, and improve social skills. Through their generous donations, our community partners help to ensure that every SHUSD student receives a well-rounded education that is infused with an exemplary selection of enrichment and enhancement opportunities.

<u>Local Funds</u>: Following are descriptions of the local resources that are funded through donations. These sources are treated as "restricted" funding with spending requirements determined by the donating entity/individual:

-<u>Parent/Parent-Teacher Group (PTG) Funding</u>: The Parent/Parent-Teacher Groups of SHUSD get their funding from the annual parent-led social fundraising campaign for all four schools, *Give Big St. Helena!* which is implemented in collaboration with the St. Helena Public Schools Foundation (SHPSF). Each of the PTG's receives one-fifth of the *Give Big St. Helena!* proceeds, and SHPSF receives one-fifth.

PTG funds are intended to be used for enhancement and/or enrichment expenses, including school-sanctioned field trips, special educational projects that enhance the regular curriculum, guest speakers, prizes, awards, promotions and dances, clubs, attire such as "spirit wear," etc. PTG funds are *not* intended to pay for staff salaries/benefits or professional development that grants academic credit to participants; nor are PTG funds to be used for basic classroom, recess or playground supplies or curricular materials, basic furniture or capital improvements, or student uniforms. Following are additional criteria regarding PTG-funding:

| Enrichment/Enhancement | Criteria to Receive PTG Funding: | | | | |
|-----------------------------------|--------------------------------------------------------------|--|--|--|--|
| Activity: | | | | | |
| Field Trips: | Must be offered to the entire grade level or school. | | | | |

-St. Helena Public Schools Foundation (SHPSF) Funding: SHPSF oversees a Foundation Trust that currently maintains a value of more than \$1,000,000. This permanent fund provides the Foundation with annual contributions to make grants to the four SHUSD schools. Most of the funding that the SHPSF receives comes from the annual parent-lead social fundraising campaign, *Give Big St. Helena!* which is done in collaboration with the Parent/Parent-Teacher Groups (PTG's). SHPSF receives one-fifth of the *Give Big St.*

Helena! proceeds, and each of the four PTG's receives one-fifth. The SHPSF currently has a goal to grow the endowment to \$3,000,000 to meet the funding goal of up to \$100,000/year in grants.

The intent of SHPSF funding is to support new and innovative ideas, and enhancements to the regular instructional program (including field trips, visual and performing arts, science, visiting artists/authors and special events). Teachers apply for grants to access funding. Once a new program has been funded for two years in a row by SHPSF, it is no longer eligible for renewal. Ongoing funding for the program or activity would have to come from the District or PTG. Following is a brief description of the grants offered by SHPSF:

- Rolling Grants: Grant cap of \$500 per teacher, per school year for creative/innovative projects that enhance the curriculum. Application required.
- <u>Annual Grants</u>: No set dollar amount; can be used to support the arts and Science, Technology, Engineering and Math (STEM) projects and activities. Application required.
- <u>Swanson Library Grant</u>: Provides \$1,500 per year to each school library. No application required.
- <u>Jonathan Rubin Special Education Grant:</u> Up to \$1,000 per year per Special Education teacher to support enhancement/enrichment projects, programs and materials for Special Education. Application required.
- <u>Del Britton Memorial Grants</u>: For teachers/principals in conjunction with community members and/or other non-profit entities (these grants are broader in scope than teacher/classroom grants). Application required.
- Mondavi Family Summer Grant Program: Grants for students to participate in summer arts programs.
- <u>Phelps Grant Program</u>: Grants for students to participate in academic summer programs or camps.
- <u>Summer Teacher workshop Grant Program:</u> Grants for teachers to participate in training, workshops and institutes for which they are not granted academic credit.

-<u>St. Helena Athletics Association (SHAA)</u>: Raises funds to support athletics teams at SHHS, providing at least \$500 per year to each program; with larger donations for sports teams that operate the concession stand during football games. Teams can also apply for special grants, e.g. for equipment.

<u>-Performing Arts Boosters</u>: Raises funds to support music and drama programs and activities at SHHS.

<u>-Ag Boosters:</u> Raises funds to support the SHHS Agriculture Department, including Future Farmers of America (FFA) activities.

-<u>St. Helena FFA</u>: Student group that raises funds to support the St. Helena High School Future Farmers of America (FFA) program.

-Coppola Grant:

- -Awarded for music projects/purchases by teacher application.
- -<u>Other Local Grants:</u> Other local partners such as the Napa Valley Performing Arts Foundation periodically award grants to teachers and students through their own application procedures.
- -Associated Student Body: SHHS and RLS maintain Associated Student Body (ASB) student leadership groups. These student organizations are allowed by law to raise and spend money on behalf of students. Associated Student Body funds are maintained in separate accounts and fund student-selected activities such as school dances.
- -<u>Student Fees</u>: California Education Code Sections 409010-409013 prohibit charging student fees except in a few instances. Following are some of the only fees that schools may (but are not required to) charge by law that are specifically related to enrichment and enhancement:
 - Reimbursement for the direct cost of materials for projects kept/taken home by the student (wood shop, art, sewing, etc.) Ed. Code Section 17551.
 - Fees for field trips and excursions in connection with courses of instruction or schoolrelated social, educational, cultural, athletic, or school band activities so long as no pupil is prevented from making the field trip or excursion because of lack of sufficient funds (Ed. Code Section 35330(b).)
 - Medical or hospital insurance for field trips that is make available by the school district (Ed. Code Section 35331(b)(2).
 - Deposits for school band instruments, music, uniforms, and other regalia for use on an excursion to a foreign country (Education Code Section 38120).
 - Charges for required medical and accidental insurance for athletic team members that are not paid by school district or student body funds, so long as there is a waiver for financial hardship (Ed. Code Section 32220-32224).
 - Fees for outdoor science school camp programs, so long as no pupil is denied the opportunity to participate because of non-payment of the fee (Ed. Code Section 35335).
- -<u>Parent Donations</u>: Most enrichment and enhancement activities offered in SHUSD are paid for using school/district funds, PTG/SHPSF funds, other local resources, and/or allowable student fees as described above. Parents are asked to make a donation towards only a few enrichment/enhancement activities, such as the annual 5th grade Outdoor Education trip, the annual 8th grade Yosemite trip, and certain high school activities such as prom. Donations help to ensure that these special experiences can continue year after year.

DECISION-MAKING:

How are decisions made regarding what enrichment/enhancement activities and programs will be implemented in SHUSD schools?

Schools have policies related to the number of minutes within each instructional day that are devoted to core subject areas (English Language Arts, Mathematics, Social Studies, Science, etc.). Students also have the opportunity to engage in curricular enhancement and enrichment activities throughout the day that are funded with district resources; for example, all students in grades TK-5 participate in two hours and forty minutes per week of enrichment classes during their school week. Additionally, teachers within a grade level team at the TK-5 level (in partnership with the Principal) design and plan one "Here" (at school) and one "There" enrichment experience (field trip) for their students per trimester.

In order to enhance the learning experience for students at each grade level, all field trips, activities, assemblies and events align with grade level standards; and they are carefully planned around the content students are taught at school. The principals and teachers at each school site consider all of these factors when seeking funding for enrichment and enhancement opportunities.

In addition, all off campus-field trip requests must be submitted to the SHUSD school board for approval.

Teachers will occasionally request special out-of-state or out-of-country field trips, e.g. for elective classes. District/school funds are not allocated for these experiences. When these requests are for trips occurring during the school year, no student eligible to attend can be excluded for non-payment (even if the trip is considered "non-mandatory"); consequently, the approval process for these trips requires confirmation from the school Principal that his or her site discretionary funds will be adequate to cover any fundraising shortfall, or the trip may be cancelled. Students can be excluded from extra-curricular, non-mandatory trips that occur outside of the school year for non-payment.

How are decisions made regarding how enrichment/enhancement activities and programs are funded?

While the faculty at each school site is responsible for deciding what core educational, enrichment and enhancement activities will be provided, our local partners (PTG, SHPSF, and other grant sponsors) can decide which activities they will support through donated funds. Site principals make decisions about how their district-allocated site funds will be spent (in collaboration with teachers and staff). They also request funding support from the PTG/SHPSF organizations and other grant providers. These requests, along with teacher grant applications, inform the annual budgets for these community partners. The SHUSD Chief Business Official reviews site and community partner budgets annually in conjunction with districtwide budget development.

Many years ago, our community partners had to fund most enrichment and enhancement activities for SHUSD students – the "extras." As the school district's revenue from local property taxes increased and the General Fund budget/financial outlook improved over the years (while costs for transportation and other expenses has risen), more school discretionary

and centralized district funding has been allocated for these "extras." Today, enrichment and enhancement expenses are split almost evenly between school/district funding and our community partners (PTG, SHPSF, etc.) with small parent donations requested for only a handful of special activities (e.g. 5th grade Outdoor Education and the 8th grade Yosemite trip). It is projected that this funding model will be sustainable for the foreseeable future.

What enrichment/enhancement activities are planned and funded for the 2023-24 school year and beyond? What if new enrichment/enhancement activities are proposed?

Following are tables that show the enrichment/enhancement activities planned for each school in 2023-24. An annual collaborative meeting that includes representatives of all community funding partners as well as district and site staff is recommended to discuss funding strategies for enrichment and enhancement activities, and plan for subsequent years.

Requests for alternative or additional activities (e.g. from teachers) should be submitted to the site Principal for review and consideration. Requests for PTG and/or SHPSF funding for new grants can be submitted directly to those organizations.

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

¹ Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.

28 66290 0000000 Form ICR E8BM4NA4C9(2023-24)

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

 Salaries and benefits paid through pay roll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702) (Functions 7200-7700, goals 0000 and 9000)

- 2. Contracted general administrative positions not paid through payroll
 - a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800.
 - b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

B. Salaries and Benefits - All Other Activities

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero.

cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based. Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A. A. Indirect costs incurred in the current year (Part III, Line A8) 2,665,699.10 B. Carry-forward adjustment from prior year(s) 1. Carry-forward adjustment from the second prior year 0.00 2. Carry-forward adjustment amount deferred from prior year(s), if any 0.00 C. Carry-forward adjustment for under- or over-recovery in the current year 1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (6.75%) times Part III, Line B19); zero if negative 0.00 2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (6.75%) times Part III, Line B19) or (the highest rate used to recover costs from any program (0%) times Part III, Line B19); zero if positive 0.00 D. Preliminary carry-forward adjustment (Line C1 or C2) 0.00 E. Optional allocation of negative carry-forward adjustment over more than one year Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate. Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation: not applicable Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment is applied to the current year calculation and the remainder not applicable is deferred to one or more future years: Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years: not applicable LEA request for Option 1, Option 2, or Option 3 F.
