Volume 24, Issue No. 8

Ceramic Association of NY Scholastic Recognition Award

Joshua Glass (AT RIGHT) has been chosen to receive the Kazuo Inamori School of Engineering/Ceramic Association of New York Scholastic Recognition Award for high school juniors. Encouraging students to pursue careers in science and engineering is critical to our nation's future in the global economy.

Engineering requires mathematical abilities and scientific knowledge. It has become increasingly important in engineering to have strong communication skills. This award is given to recognize a junior who demonstrates a solid mathematical and scientific background while also excelling in English.

The nominee must carry a cumulative average of at least 90% throughout high school. Wellsville Secondary School's nominee to receive the 21st Century Leadership Award at Wells College is **Grace Norton (BOTTOM CENTER)**.

Elmira College Key Award

Wellsville Secondary School is proud to announce the recipients of the Elmira College Key Award, from the Class of 2018, are **Justin Cole and Shannon Nye (BELOW)**. The Key Award, sponsored by the Elmira College Alumni Association, has been awarded to outstanding students since 1935. The award of merit is presented to outstanding high school juniors in the top of their class with a minimum cumulative average of 90%. Candidates must

Wells College 21st Century Leadership Award Announced

Recognizing the need for ethical leadership, Wells College presents the 21st Century Leadership Award to high school juniors who demonstrate leadership ability in high school and community activities and exhibit academic excellence. Recipients are nominated by their high school guidance counselor and the administration in the spring of their junior year and are then recognized by the Admissions Committee. The 21st Century Leadership Award program is designed to honor these students and grant them a \$40,000 Scholarship for Leaders (\$10,000 per year) for four years of study at Wells College.

Continued on Page 2

Awards -- From Page 1

also demonstrate school and community leadership.

Key Award winners receive an \$80,000 tuition scholarship over a four-year period, \$20,000 per year, upon enrolling at Elmira College. The award is renewable each year with an academic average of 3.0 or higher. Recipients attending Elmira College are also honored in the fall of their freshman year by the Alumni Association and are presented with the prestigious Elmira College Key.

WCS Mission Statement

"Our mission is to prepare our students to be successful, contributing members of their communities through excellence in education."

Oh, The Thinks You Can Think When You Think About Seuss!

Most of us know the books of Dr. Seuss and have a favorite of our own. So when Stephen Flaherty and Lynn Ahrens turned 15 of his stories into a musical, its success was certain. And Wellsville Secondary School is certain you'll love *Seussical*, our musical production for 2017 (*see ad on page 3*).

The story is told by the Cat in the Hat — played by Shannon Migliore — and centers around the trials and tribulations of Horton the Elephant — played by Byron Grover. Horton's keen hearing has enabled him to hear the Whos floating by on a small speck of dust, so he rescues them by placing them on a clover, which he protects. The rest of the jungle animals, like the Sour Kangaroo and the Wickersham Monkey Brothers —

portrayed by Karizma Torruella, Caleb Joseph, Richard Murphy, and Matthew Warren — think Horton has lost his mind. But the Whos appreciate his help, especially the Mayor and his wife — played by Matthew Sanders and Sierra Dreibelbis — and their young inquisitive daughter JoJo — played by Kati O'Neill.

Horton the Elephant is also admired by his neighbor, a bird named Gertrude McFuzz (portrayed by Maureen Willard), who desperately seeks Horton's attention and love. And that's just the beginning of the story. The clever way the tales of Mayzie LaBird (Isabella Wenslow), Yertle the Turtle (Scott Vonderheide), the Lorax (James Neely), General Genghis Kahn Schmitz (Ryan Ludu), and many more get woven together makes the show worth coming to see.

We will proudly present our performances of this lively and entertaining show on Friday, March 31, and Saturday, April 1, at 7:30 p.m. as well as Sunday, April 2, at 2 p.m. in the Wellsville Secondary School Auditorium. Tickets are on sale at Brand Name Appliance and in the Secondary School Main Office. General admission tickets are \$7 for students and senior citizens and \$8 for all others.

WCS Calendar of Events

- March 25 - Odyssey of the Mind Regional Competition, Wellsville
- March 28-30 - NYS ELA Assessments

District Hosts Twin Tiers Maker Expo

By Lisa Stastyshyn, Technology Integration Coach

The Twin Tiers Maker Expo held at WCS on Saturday, March 11, was a huge success! The Twin Tiers Maker Expo attracted over 600 guests and showcased over 150 Makers from around the Twin Tiers Region at almost 100 booths! The event was hosted by the Wellsville Central School District and co-sponsored by the District and the WNY STEM Hub.

The building bustled with people of all ages who were eager to “make-and-take” and participate in the vast array of exciting hands-on experiences the Expo provided.

The Wellsville Elementary School was transformed into a Maker’s playground. There were amazing creations and eye-catching demonstrations sprawled out across the campus! The best part...it was all free!

The Expo was a hub of innovation where we saw duct tape clothing and accessories, hand-made baked goods, wood carving with chainsaws, a city made of cardboard, slime making, pottery, 3D printing, an electronics graveyard (deadtronics), hands on soldering, Genesee Valley’s Robotics Team, The Cuba-Rushford Lego Team, The Wellsville Lego Team, The Wellsville Art club, and so much more.

The Twin Tiers Maker Expo offered its Makers a unique opportunity to showcase their talents and its guests a peek at some of the exciting things are happening in the region. The event can only be described as

part science fair, part county fair, and part something entirely new. It was a day to celebrate invention, innovation, and creative spirit.

Thank you to those who attended, as we could not have an event without attendees. Special thanks to everyone who volunteered and helped make the Expo a huge success. It took many people to make this happen and

we really appreciate all of your help. It is with gratitude that we thank our generous sponsors and donors. Finally, a GIANT thank you to all of you Makers out there, whoever you are, keep on innovating!

Please set a calendar reminder to attend next year around this time! Also, be sure to visit twintiersmakerexpo.com for more information on Makers and next year's Expo!

ABOVE - A young visitor experiments with a Bee Bot robot at the Maker Expo held at WCS. More than 600 visitors attended the event showcasing makers from the Twin Tiers. More photos from the Maker Expo on page 9.

For more information on these and any scholarships, please see your counselor or inquire at the Guidance Office. Many local scholarship applications are available in the spring. Seniors, please check your mailboxes for your calendar of important dates and deadlines and the list of scholarships.

Continued on Page 13

Scholarship Program

Our **28th Annual Senior Scholarship Night** will be held **Tuesday, June 6, at 7 p.m. in the Secondary School Auditorium**. Members of the Class of 2017, parents, friends, and the public are cordially invited.

Most scholarships and awards given to seniors by local families or organizations are announced at this celebration. The cost of post-secondary education has risen dramatically in recent years. A contribution to WSS Scholarship Funds sends the message to our graduates that we appreciate their hard work and want to help with their education.

Local citizens, community-service groups, organizations, employers, and families are encouraged to continue this outpouring of support for our young people by adding to or establishing a new scholarship fund. This can be done at any time of year. Any amount may be donated to a scholarship simply by sending a check to the "WSS Scholarship Fund" at the District Office, 126 West State Street, Wellsville, NY 14895. Please designate to which fund you would like your check credited. You may also set up a new fund at anytime by simply calling the Guidance Office at 585-596-2160.

Thank you for honoring our Wellsville seniors with your scholarship!

Important Reminder to Seniors & Parents

Seniors, please remember to turn in your senior data sheets to the Guidance Office no later than Monday, April 24. Blank senior data sheets are available in the Guidance Office. These sheets are very important to seniors in order to be considered for any local scholarships. If you have any questions about these sheets, please see guidance.

More Important Information for Seniors

■ **Complete your Senior Data Sheet** carefully and neatly **and return it to the Guidance Office by April 24.**

■ **Neatness Counts!** We can't over-emphasize this point. Write down all of your activities (but be scrupulously honest), and write legibly and neatly in **black ink**. The Senior Data Sheet is how our community's scholarship donors will perceive you. Do not attach pages.

■ **Boys:** When you turn 18, remember to register for Selective Service online at www.sss.gov

■ **Scholarship Night** is set for Tuesday, June 6. If you are going to receive an award, your parents or guardians will receive a letter. However, all seniors are encouraged to attend.

■ Please inform the Guidance Office of your post high school graduation plans, college acceptances, scholarship opportunities, job offers, etc.

■ Also, check with your chosen college now to see if you need tuition assistance.

■ Please do not count on local scholarships to underwrite a majority of your college costs. These one-time awards may help pay for some books and perhaps a small portion of tuition. You should already have a financial plan in place.

■ **Do your very best** these last few months! Your senior year grades are important. A final transcript will be mailed to your college in early July.

News for Juniors

Start doing your college research now! Visit prospective colleges! Many scholarships given in the fall and spring of next year are based on your community service hours. Remember to complete your student activities form, update it when needed and return it to the guidance office. Always do your best in your schoolwork! Your final three-year average will determine class rank, which is recorded on your high school transcript and needed for college and scholarship applications during your senior year.

We Show Pride

The Wellsville Elementary School recently held a "We Show Pride" poster/coloring contest. **The school-wide original drawing winners were:** First Place - Kaylie Fuller (Grade 5), \$30 Book Fair Certificate; Second Place - Teagan Burke (Grade 3), \$20 Book Fair Certificate; and Third Place

A drawing by **Jesse Fanton, Grade 5.**

- Lexis Coleman (Grade 2), \$10 Book Fair Certificate.

Original drawing winners:

Pre-K - John Ewert

Kindergarten - Gracie Slingerland

Grade 1 - Parker Black

Grade 2 - Allison Pratt

Grade 3 - Blake Mattison

Grade 4 - Averee Palmiter and Hailey

Illerbrun (tie)

Grade 5 - Madison Thompson.

Coloring contest winners:

Pre K - Norah Gamache, Audrey Clark, Keegan McLaughlin, Audrey Clark

Kindergarten - Leah Miller, Josie Slingerland

Grade 1 - Rowan Vossler, Austin Black

Grade 2 - Aedric Luna, Lily Harrington

Grade 3 - None submitted

Grade 4 - Brockton Putnam, Abigail Lanphier

Grade 5 - Cheyenne Dickerson

A work by **Hanna Miles, Grade 4.** More student art work photos on Page 14.

Students Explore Possible Careers in STEM Cafes

When students have approachable role models, their impression of what it means to be a STEM (Science, Technology, Engineering, and Math) professional can change dramatically and they are more likely to pursue STEM courses and careers.

On March 7-9, Wellsville Secondary School hosted STEM Cafes for the Grades 6-12 students (see photos). Professionals and students from local organizations including Alfred State College, Jones Memorial Hospital, ARVOS, Siemens and even our own Wellsville High School Coding class, came in to talk to our students about their experiences with STEM. More than 200 students in grades 6-12 had the opportunity to meet with 17 professionals currently in STEM fields during their lunch periods for a future-focused conversation. Discussions with students focused on specific careers or college pathways and linking current student hobbies and interests, such as drawing, tinkering, or medicine to potential future professions.

THE OVERVIEW

will be produced monthly as a service to district residents, taxpayers, students, parents, and employees. Staff members and others can submit information on significant events via e-mail to the designated reporter for their building by the following deadline(s):

Secondary School Lobby, 7 a.m. - 9 p.m.**

The "Write" Stuff

Wellsville writers took on a creative challenge, competing in the Angelo Melaro Memorial Writing Contest in March. Senior Madison Ewing continued her tradition of excellence in the contest which involves students in Cattaraugus and Allegany counties.

Madison placed third in the 12th grade level of the contest. Madison has represented Wellsville for four years, taking first place in 10th and 11th grade, and third place as a freshman. She has also been part of two first-place team victories.

Freshman Molly McKee, sophomore Jada White, and junior Joshua Glass also represented Wellsville in this year's contest, which asked students to respond to creative writing prompts. Ninth and tenth graders were asked to imagine what happened when they opened a secret door in their school's basement. Juniors and seniors were asked to describe a dinner party involving three unusual guests who get into an argument.

GIFTED WRITERS from Wellsville Secondary School -- (left to right) Madison Ewing, Josh Glass, Molly McKee, and Jada White -- await the results of the Angelo Melaro Memorial Writing Contest. The awards ceremony was held in March at Cattaraugus-Allegany BOCES in Olean.
