"Overture, Curtain, Lights!" — A Year in Review

By Diane Willard, Wellsville Theatre Program Producer

The 2016-2017 school year was terrific for theatre at Wellsville Secondary School. Our productions won awards both locally and across the state. The year was probably best summed up by Junior Byron Grover, who declared, "The Wellsville Theatre Program this year has provided a wonderful opportunity for students in grades 6-12, as well as faculty, to test their skills and grow both as performers and as people."

The year began with an evening of one act plays titled "*Random Acts of Human Kind[ness]*." The week before the show opened, an adjudicator from the Theatre Association of New York State (TANYS) came to a dress rehearsal to evaluate the one act plays to see if any would qualify for performance at the TANYS State Theatre Festival. The play titled *Flyboy* was selected to be performed at the festival on November 19. It is the first time ever Wellsville Central School has been invited to perform at this festival and it was the first time in 20 years any high school in NYS was selected for the honor. It was an incredible experience and the cast did a wonderful job. In the end, the performance won two excellence awards at the state level, one

The full cast from *Random Acts of Human Kind[ness]*.

for ensemble performance and one for lighting. Only five of the plays performed at the festival received awards of any kind, so this was quite an honor, especially considering the other shows were performed by either college or community theatre groups.

Senior Shannon Migliore recalled, "Going to festival competition was exciting but nerve-racking. Not only did we get to perform our own show in a different space with a theatre-savvy audience, we also got to watch some amazing theatre as other groups performed as well."

In addition to the honor of going to festival, the TANYS adjudicator gave our *Random Acts...* production several awards:

- Meritorious Achievement in Acting to Ryan Ludu as Jerry and Breanna Cook as Arleen in *Matterhorn*
- Meritorious Achievement in Ensemble Performance to the Cast of *The Audition*

Continued on Page 3

Senior Trip 2017

The Class of 2017 hit the Big Apple Thursday, May 18, for their senior trip. Forty-three seniors were able to attend and explore the “city that never sleeps.” It was a wonderful trip which included tours of NBC Studios, Liberty Island and the Statue of Liberty, Central Park, Rockefeller Center, the 9/11 Memorial and Museum, Chinatown and Little Italy, Times Square (*photo on page 17*), the Empire State Building, and Radio City Music Hall. The seniors and chaperones also enjoyed a dinner cruise around Manhattan (*see photo ABOVE*) and seeing the musical “Chicago.” As you can see, the students had a great time exploring the city.

Vote Results

THANK YOU, Wellsville! We sincerely appreciate the support you provide to our students. With your support, we are able to provide our students with the education necessary to fulfill **Our Mission . . .** *"To prepare our students to be successful, contributing members of their communities through excellence in education."*

The full cast of *Seussical*.

Overture -- From Page 1

- Excellence in Ensemble Performance to the cast of *Flyboy*
- Excellence in Directing and Theatre Education to Richard Hackford, Paul Nelson and Diane Willard for *Random Acts of Human Kind[ness]* ... an Evening of One Act Plays

When spring rolled around, it was time for our musical: *Seussical!* This show was a crowd pleaser, particularly for the younger audience members. Once again, a TANYS adjudicator came to scrutinize the performance. She was amazed at the talent present on the stage, particularly considering how many young cast members were involved in the production. This show won the following awards:

- Meritorious Achievement in Acting to Matthew Sanders as the Mayor of Whoville
- Meritorious Achievement in Vocal Performance to Shannon Migliore as the Cat in the Hat
- Excellence in Choreography to Heidi Mangels
- Excellence in Production Design and Execution to the Directors, Design Staff and Crew

The performers from the one-act play *Flyboy* are shown at the state festival.

One final surprising honor was bestowed upon us this spring. The *Wellsville Daily Reporter* sponsored a "People's Choice Award" honoring businesses and organizations in the area. Wellsville Central School was honored as the "Best Live Theatre" in the area.

So all in all, it has been a good year for theatre in Wellsville. We continue to strive for high quality performances for our community and we are proud of our successes. We are delighted with the excellence of our casts and crews, staff and pit, and look forward to continued success in the future.

WCS Team Reaches Odyssey of the Mind World Finals

(Michigan State University, East Lansing, Michigan) – The Wellsville Central School Odyssey of the Mind team participated in the 38th annual Odyssey of the Mind World Finals at Michigan State University from May 24-27. The Problem 5 Division 3 team consists of Skyler Stisser, Rachael Ferraloro, Alysa Daily, Justin Cole, Alyssa Kear, Ashley Reitz, and Braden Scott. Jennifer Parks is their coach. The teens excelled at the Region 19 Tournament in Wellsville and again at the State Tournament in Binghamton, where they earned the honor to advance to the four-day international tournament, representing New York State.

The Wellsville team chose to tackle Problem 5, described as . . .

To Be Continued: A Superhero Cliffhanger: Creativity is being taken away from the world, and it is up to Odyssey teams to rescue it! Teams will present a humorous performance about an unexpected superhero that must save creativity. The superhero will change appearance when it displays its superpowers and go back to blending in with society when not. The performance will also include a clumsy sidekick, a nemesis character, a choreographed battle, and a cliffhanger ending.

Not only do the participants compete within their chosen problem, but teams must also perform well in a “spontaneous problem,” which requires them to solve a new problem on the spot. The participants must be creative, quick-thinking and work well together as a team.

Odyssey of the Mind team members spend months of their free time solving problems as well as developing teamwork skills, independent study skills, friendships, confidence, and most importantly, improving their brainstorming and problem-solving techniques. Teammates learn new things and utilize their individual strengths to solve problems creatively. Teams also learn how to budget money as there is a cost limit set for each problem. Throughout the competition days, wherever you look, there are imaginative costumes, elaborate props, dances, original songs and poetry, creative writing and more. Tournaments are the culmination of months of work from students, coaches, parents and judges -- who all work together with the common goal of expressing creativ-

This team from Wellsville Secondary School attended the Odyssey of the Mind World Finals on May 24-27 at Michigan State University.

ity, supporting the arts and learning new things in a fun environment.

It is impossible for any team to attend the World Finals without a tremendous group effort from the team members and coaches, as well as support from their school board, community, parents and families. Thanks to the supportive Wellsville school district and communities for their commitment to these students.

These local teenagers also serve as inspirational role models for younger students who hope to someday repeat their successes. This team has represented their school, community, Region 19, and New York State in an admirable way. The team’s success would not have been possible without a long term commitment from their dedicated coach, Jennifer Parks. Thank you and congratulations to all on an outstanding accomplishment.

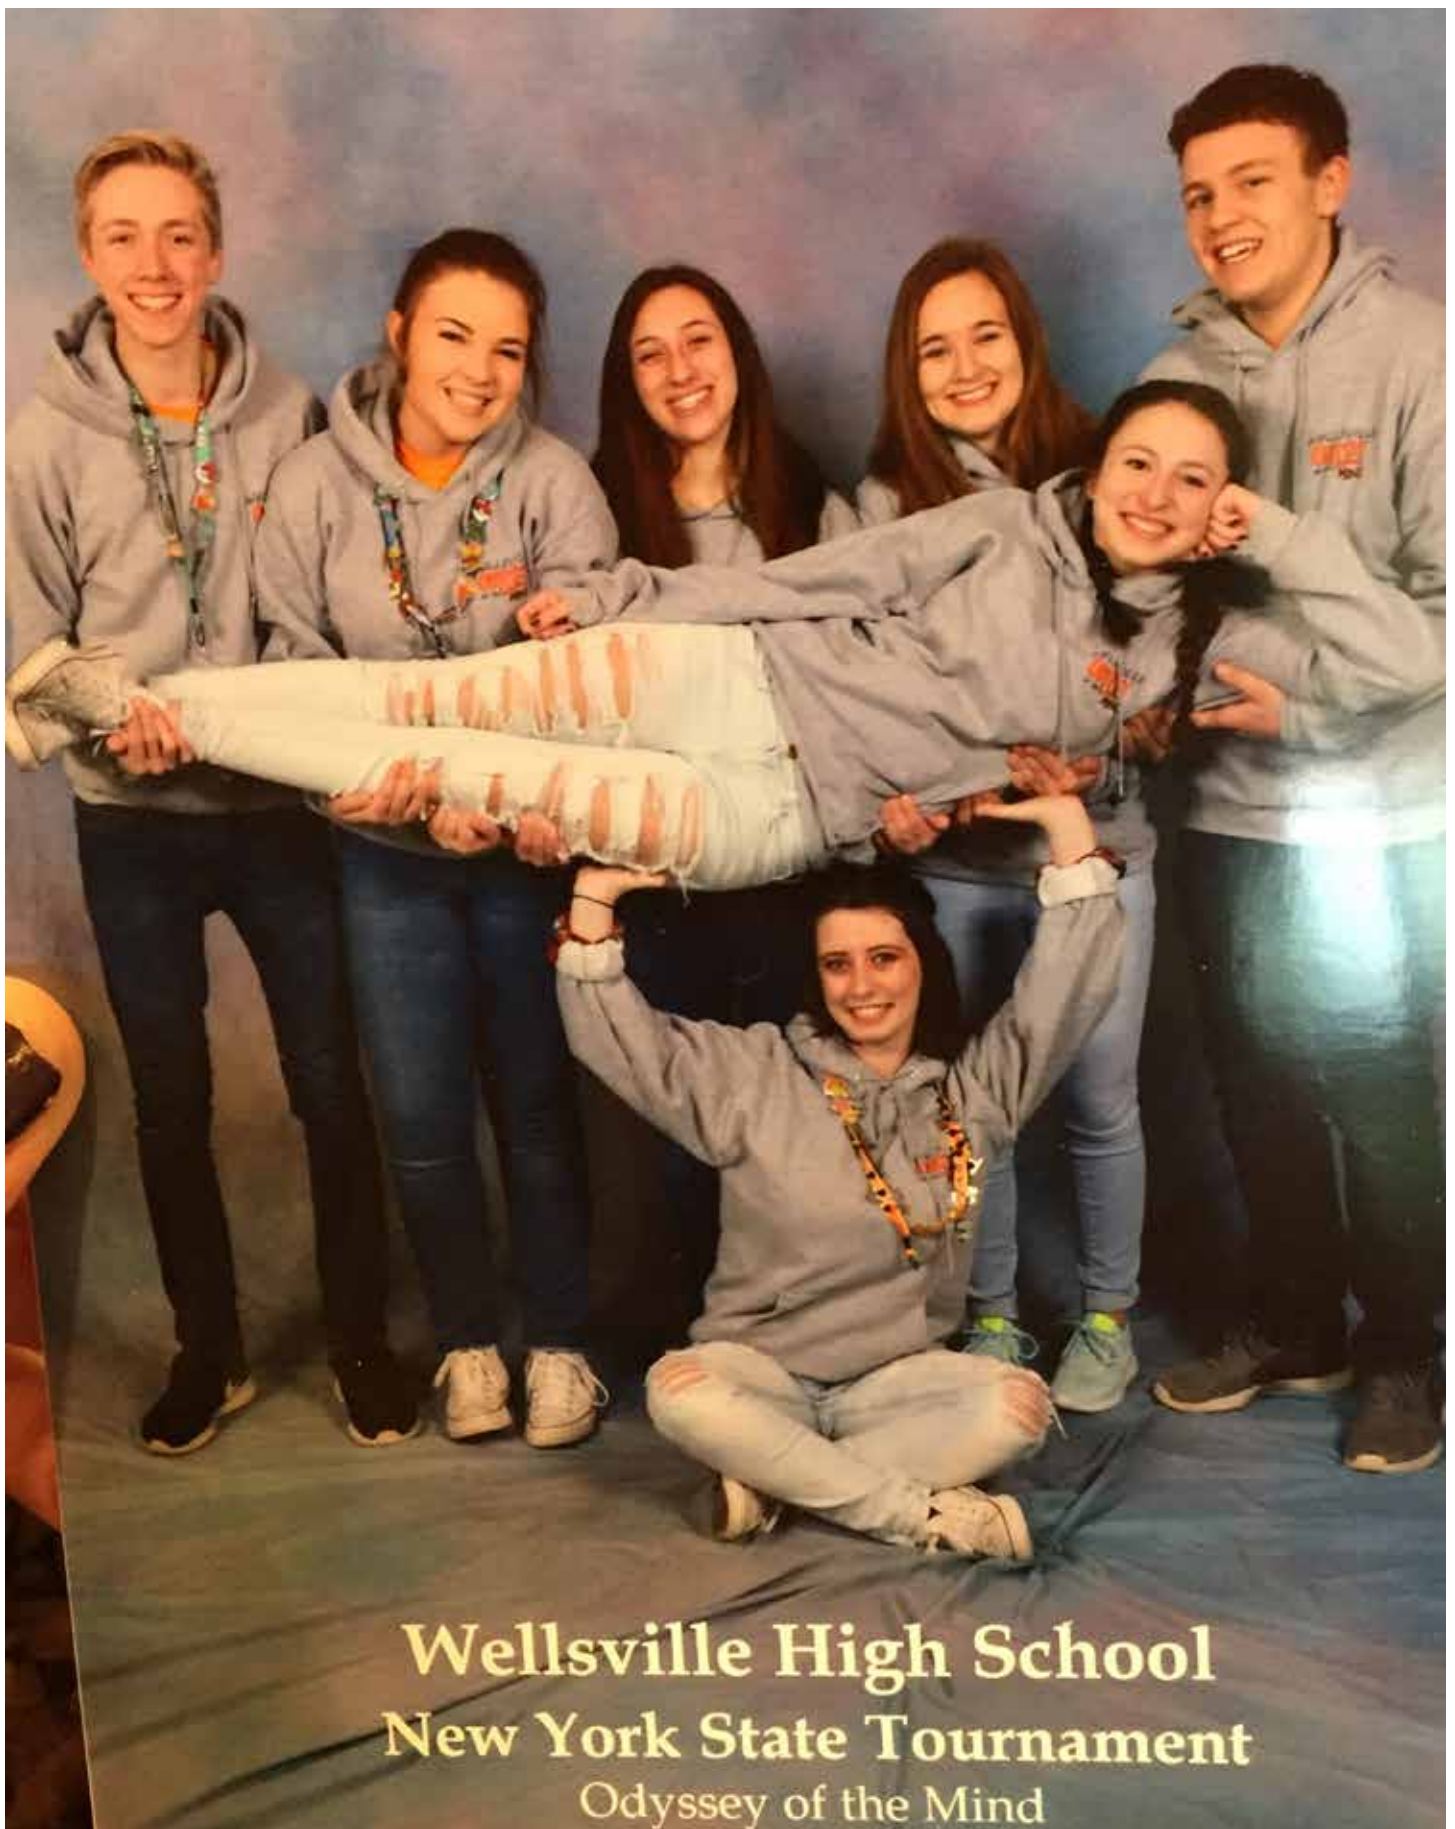

Founded in 1978, Odyssey of the Mind is the largest international creative problem-solving tournament in the world. The program encourages students, from kindergarten through college, to use original and divergent thinking as a team sport. Divergent problems -- that is, those with more than one solution -- encourage students to learn and lead the way using 21st century

skills. By working in teams of up to seven members, participants learn teamwork, the appreciation and understanding of others, and the concept that a group is a more powerful thinking force than an individual.

Over 850 teams from throughout the United States and 13 other countries compete in Odyssey of the Mind. Teams from the United States, Canada, China, South Korea, India, Japan, Russia, Poland, Germany, Singapore, Slovakia, Switzerland, Italy, and Mexico traveled to Michigan State University, making this year’s tournament the largest in 38 years.

More than 20,000 students and supporters, from different cultures and widely varying backgrounds, prove that creativity is universal. The high-energy tournament embodies an international spirit of teamwork. While the competition is fierce, there is also a feeling of camaraderie amongst competitors. At World Finals, teams have an once-in-a-lifetime experience to form friendships that span the globe, through a common goal of being creative and having fun.

July 24 - August 15 - Driver Education Session II

August 16-17 - Regents Exams

BOCES Summer School Program

High School students who fail a course or examination and do not retake it in Summer School may face spending more than four years to complete a high school diploma. Graduation requirements, call for additional courses to earn 22 ½ credits. This makes it difficult to make up classes the following year if any courses must be repeated. This is especially true for students who are working toward a vocational/technical high school diploma. Please call your school counselor at 585-596-2160 if you need information about Summer School.

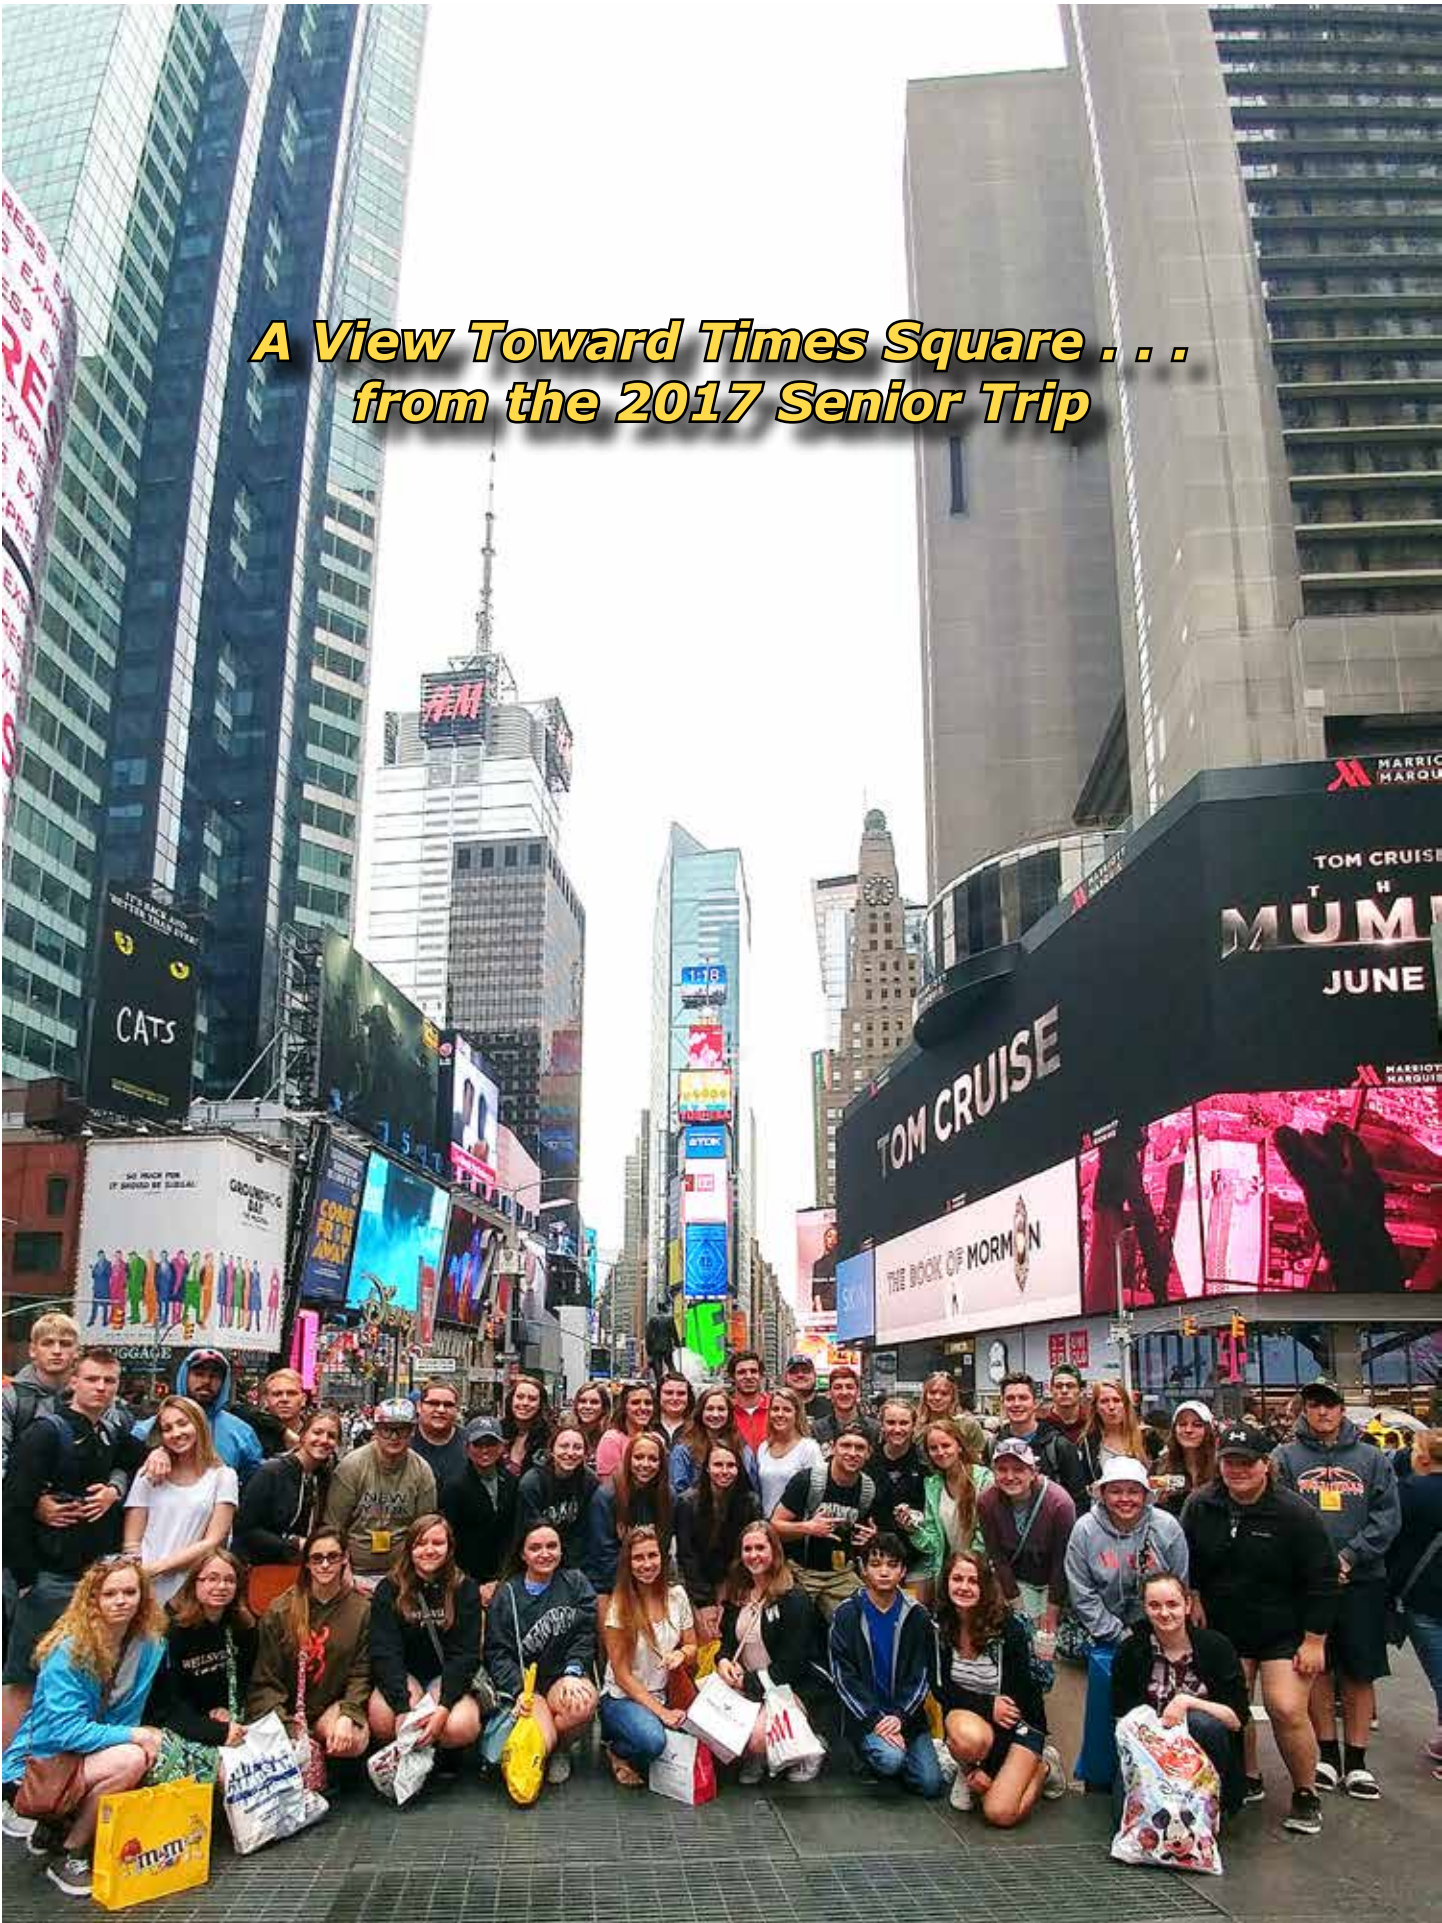

Why is Summer Reading So Important?

Did you know that reading over the summer is vital for students to stay on track with their learning?

Children who don't read over the summer experience summer learning loss. This means kids actually forgot what they have learned over the school year and the effect is cumulative! Kids who lose reading skills over the summer will be two years behind their classmates by the end of 6th grade.

The David A. Howe Library can help prevent summer learning loss with their Summer Reading Program. Visit <http://www.davidahowelibrary.org/teen-programs/childrens-programs/summer-reading-program/> to learn more.

Elizabeth Sinski, Secondary School Assistant Principal
Jason Mank, Secondary School Assistant Principal
Dean Giopulos, Elementary School Principal
Karen Cunico, Elementary School Assistant Principal

Our Nominees for Davis-Foy Memorial Scholar-Athlete Award

The Wellsville Secondary School administration and counselors have named **Nicholas Brown** and **Erin Lawson** (pictured AT RIGHT) as our nominees for the Bob Davies-Lou Foy Memorial Scholar-Athlete Award.

The award remembers Bob Davies, a long-time *Olean Times Herald* sports writer, who highly valued academics and the arts, and Lou Foy, an athletic administrator both at Salamanca Central School and in Section 6, who took the first half of the phrase “student-athlete” very seriously.

Congratulations to these two outstanding scholar-athletes!

THE OVERVIEW

will be produced monthly as a service to district residents, taxpayers, students, parents, and employees. Staff members and others can submit information on significant events via e-mail to the designated reporter for their building by the following deadline(s):
July/August 2017 **June 27**
