Haggerty Wins Geography Bee at Elementary School

Gavin Haggerty, a fifth grade student, won the Wellsville Elementary School National Geographic Bee on Tuesday, January 16th. Sixteen fourth and fifth grade students squared off in this local competition. The National Geographic Bee is a popular educational program available through the National Geographic Society. The nationwide geography competition -- for students in grades 4-8 -- is designed to encourage the teaching and study of geography. As a second step in the competition, Gavin will now take a written test to see if he will qualify for the New York State Geography Bee competition to be held later in the school year. His name will also be placed upon a permanent Geography Bee plaque located in the main hallway of the Elementary School. *Congratulations, Gavin!*

ABOVE - The second grade would like to thank Mr. and Mrs. Gerald Kirk for bringing in the replica of the USS Boston. The model ship was created from scratch by Mr. Kirk. Mr. Kirk is a Vietnam War Veteran, who proudly served aboard the USS Boston and graciously came to school to share his experience as a U.S. Navy Veteran. He has spent the last 30 years working on his 10 1/2 foot water-ready vessel. Second graders were amazed by the moving components and sound effects. All of these features were controlled through a custom remote control. Thank you, Mr. and Mrs. Kirk, for coming to share with us about the Navy vessel!

Get Your Elf Off the Shelf

The third grade students participated in a STEAM day. Their goal for the day was to get their elf off of the shelf. Given limited supplies, the youngsters had to build a device which would slide down a zip line and carry the elf to safety.

FIRST Robotics Team Begins Build Season

On Saturday, January 6, Mr. Carman and Mrs. Bowen took our Wellsville FIRST Robotics Team -- Big Cat Robotics 6892 -- to a regional kickoff event at Spencerport High School to start their six-week build season, which ends February 20. After building their robot, the team will attend the Finger Lakes Regional Competition on March 14-17. At the Regionals, the team will compete against 49 other teams from all over New York State, Pennsylvania, Canada, and even one team from China. Community All-Star Nominee

Independent Health and *Business First* have teamed up to identify and honor *Community All-Stars*, a group of Western New York high school seniors who exemplify outstanding qualities that make our community a great place to live.

Grace Norton (at right), a member of the WCS Class of 2018, has been nominated by the school counselors and administration as a *Community All-Star*. Students nominated should demonstrate that they have made a positive difference in the lives of people at their school and in their community. *Community All-Stars* should exemplify the following qualities: be of good character, have made a difference in their community through their community service, embrace the diversity of students throughout the school, and be friendly and open to all.

Community All-Stars are showcased in a special newspaper section to be published by *Business First* in June 2018. As in past years, all students will receive a plaque in recognition of their achievement. Beyond that, students are randomly chosen, through an impartial process, to receive a scholarship of \$1,000 per student.

Congratulation to Grace on this outstanding nomination!

Gingerbread Houses as STEM Projects

IN PHOTOS ABOVE - Students in Mrs. Murphy's Second Grade Class recently worked on a STEM project using gingerbread houses. The youngsters had to design a gingerbread house with four walls, a roof, a walkway, and a fence around the perimeter; which could also withstand a simulated earthquake (shaking). Second graders shown working on their tasty structures are Kyra Young (at left) and Braden Vallieres (at right).

"To Kill a Mockingbird"

STUDENTS IN MR. WARREN'S ENGLISH 10 AND 10 HONORS CLASSES recently finished reading Harper Lee's classic, "To Kill A Mockingbird." To assess their understanding of the novel, students created literary portfolios, which showcased various elements from the novel. Students demonstrated their knowledge of the novel's characters, conflicts, and themes, and connected the text to our world today. Several examples of student portfolios are currently on display in the window cases outside the Secondary School Library. *A second window case is shown on next page.*
