Repeat Win for WHS Writers

ABOVE - (from left) Senior Jordan Pearson, sophomore Madison Ewing, junior Leah Christman, and freshman Jaden Hyslip pose with the trophy that the WHS team won in the 2015 Angelo Melaro Writing Contest.

AT RIGHT - Kindergarten classes dressed like they were 100 years old to celebrate the 100th day of school! Kindergarten Teacher Stephanie Sprague said, "Students counted to 100 by ones and tens and during writer's workshop, they wrote about what they would buy if they had \$100 dollars. This was a very exciting day in kindergarten!"

A team of WHS writers captured first place in the 2015 Angelo Melaro Writing Contest. WHS also won the contest last year. Wellsville holds the record for the most wins in the contest's 26-year history, having won 10 times. The contest involves high school students from across Allegany and Cattaraugus counties who compete for individual and team awards.

This year's timed writing asked students to write creatively. The team of freshman Jaden Hyslip, sophomore Madison Ewing, junior Leah Christman, and senior Jordan Pearson earned the most points for their work.

The students were recognized at a luncheon held at BOCES in Olean in March.

Four Nominated for University of Rochester Awards

Since 1933, the University of Rochester has maintained a tradition of helping high schools recognize their most talented students. The University of Rochester currently offers awards to recognize outstanding juniors in high school.

To be considered for these scholarships, students must first apply for admissions to the University. Upon application for admission, winners are automatically considered for the respective scholarship. The scholarship provides each qualified student \$7,500 to \$20,000 per year for four years. Selection for these scholarships is competitive and is based upon the overall strength of the student's application for admission.

The University of Rochester is proud to continue the tradition of the Bausch and Lomb Honorary Science Award, awarded each year to high school juniors who demonstrate exceptional promise in the sciences. Wellsville High School's nominee to receive the Bausch & Lomb Honorary Science Award is **Luke Seeley**.

Bryce Davis has been nominated by WHS to receive the University of Rochester's Humanities/Social Sciences Award. This award is named in honor of famous Rochester natives Frederick Douglass and Susan B. Anthony. The University is proud to continue the tradition of these pioneers through extensive research and study devoted to social justice and human rights.

Wellsville High School's third nominee is **Leah Christman**. Leah has been nominated for the George Eastman Young Leaders Award. Selection for this award is based upon strong leadership experience at school and in the community and extensive involvement in extracurricular activities.

Wellsville High School's fourth and final nominee is **Ethan Lanphere**. Ethan is

our nominee for the University of Rochester's Xerox Award for Innovation and Information Technology. The junior nominated for this award should demonstrate achievement in the pursuit of innovative approaches.

Each year, more than 3,000 high schools around the world participate in this award recognition program. Congratulations to our nominees!

WHS Scholarship Program

Each year in March, we begin preparation for our Senior Scholarship Night, held in June. Most scholarships and awards given to seniors by local families or organizations are announced at this celebration.

The cost of post-secondary education has risen dramatically over the past few years. A contribution to WHS Scholarship Funds sends the message to our graduates that we appreciate their hard work and want to help with their education. Local citizens, community-service groups, organizations, employers, and families are encouraged to continue this outpouring of support for our young people by adding to or establishing a new scholarship fund. This may be done at any time throughout the year. Any amount may be donated to a scholarship simply by sending a check to the "WHS Scholarship Fund" at the District Office, 126 West State Street, Wellsville, NY 14895. Please designate to which fund you would like your check credited. You may also set up a new fund at anytime by simply calling the Guidance Office at 585-596-2160.

Our 26th Annual Senior Scholarship Night will be held on Tuesday, June 2, at 7 p.m. in the WHS Auditorium. All members of the Class of 2015, parents, friends, and the public are cordially invited.

Thank you for honoring Wellsville High School Seniors with your scholarship!

Important Reminder to Seniors (and their parents)!

Seniors, please remember to turn in your senior data sheets to the Guidance Office no later than, Wednesday, April 22. Blank senior data sheets are available in the Guidance Office. These sheets are very important to any senior wishing to be considered for any local scholarships. If you have any questions about these sheets, please contact the guidance office.

More Important Information for Seniors (Class of 2015)

- ❑ Complete your Senior Data Sheet carefully and neatly and return it to the Guidance Office by April 22.
- ❑ **Neatness Counts!** We cannot overemphasize this point. Write down all of your activities (but be scrupulously honest), and write legibly and neatly in black ink. The **Senior Data Sheet** is how our community's scholarship donors will perceive you. Do not attach pages.
- ❑ Scholarship Night is set for Tuesday, June 2. If you are going to receive an award, your parents or guardians will receive a letter. However, all seniors are encouraged to attend.
- ❑ Please inform the Guidance Office of your post high school graduation plans, college acceptances, scholarship opportunities, job offers, etc.
- ❑ Check with your chosen college now if you need tuition assistance.
- ❑ Please do not count on local scholarships to underwrite a majority of your college costs. These one-time awards may help pay for some books and perhaps a small portion of tuition. You should already have a financial plan in place.
- ❑ Do your *very best* these last few months! Your senior year grades are important. A final transcript will be mailed to your college in early July.

News for Juniors

Start doing college research now! Visit prospective colleges! Many scholarships given in the fall and spring of next year are based on your community service hours. Remember to complete your student activities form, update it when needed and return it to the guidance office. Always do your best in your schoolwork! Your final three-year average will determine class rank, which is recorded on your high school transcript and needed for college and scholarship applications during your senior year.
