DECA and FBLA Enjoy Another successful year!

By Margaret Walsh, DECA & FBLA Advisor

The New York DECA Region 11/13 Competition was held on January 6 at the Jamestown Community College Olean Campus. Eighty-two students from six chapters across Allegany and Cattaraugus Counties competed. The top students in each chapter moved on to the State Career Conference held in Rochester.

WHS student Sarah Murphy placed first, Mike Walsh second, Colin Meyers third, and Stone Skeeter fourth at the regional competition. Sarah and Mike competed in the Sport and Entertainment Marketing Team Decision Making Event and Stone competed in the Sport and Entertainment Marketing Individual Series Event.

Over 2,000 delegates competed in Rochester for the top five spots in each event, which qualified them to move on to the International Career Development Conference. Sarah and Mike placed in the top ten in the written portion of their event at the State Career Conference. Colin Meyers qualified for the event, but was unable to attend.

This year, DECA held its annual blood drive at WHS on December 19, 2014. The Community Blood Bank is very appreciative of the timing of our drive as the holiday season is typically a time when they are low on blood donors.

Members of WHS Future Business Leaders of America also enjoyed a busy year. Some highlights of our year included having Jodi

BOCES Summer School

BOCES Summer School classes at the Elm Street Academy facility in Cuba and Wellsville High School will meet Monday through Thursday beginning July 6 and ending August 11. Two classroom instructional sessions will be held daily. Period #1 will run from 8:00 a.m. – 9:55 a.m. Period #2 will run from 10:00 a.m. – 11:55 a.m. Regents exams will be administered August 12 & 13.

Bailey, Director of Alumni Engagement & Annual Giving, speak at our October meeting. She shared her experiences in marketing and event planning. We hope to have her come back in the future.

November was busy planning, promoting and executing another successful year of Toys for Tots and Teens. During this annual drive, high school students donated Christmas gifts to less fortunate families in the community.

Five boxes of stocking stuffers were collected and delivered to Brookside Wesleyan Church on the Andover Road.

FBLA ended the year discussing appropriate work etiquette and work attire.

I look forward to a new school year of DECA competitions and FBLA business activities. Students interested in being in either of these two clubs are invited to attend the informational meetings held in September.

Got Snails?

Wellsville Middle School students had the opportunity to sample the French delicacy known as escargots. In Mrs. McCartney's French classes, students learned about the holiday traditions of the French people, including the foods typically enjoyed in France. The students pictured are the newest members of the Wellsville chapter of the Escargots Club. The seventh graders tried the French Helix snails for the first time and were congratulated for their bravery and interest in cultural diversity. The snails were prepared in a sauce of butter, garlic, and finely chopped shallots, with salt, freshly ground pepper, and parsley.

Keara Ludu tries a French Helix snail.

Math-A-Thon Raises \$5,121 for St. Jude's

Seventy-one students at the Elementary School participated in the 2015 Math-A-Thon program, which supports the St. Jude Children's Research Hospital in Memphis, Tennessee. By completing math problems and asking for donations, our students were able to raise a total of \$5,121 and they have also learned the importance of helping other children who are less fortunate.

With the help of our community, St. Jude Children's Research Hospital will be able to create new treatments that may one day lead to a cure for many forms of cancer that will benefit the children of our state,

country, and world. Together, we are helping to make a difference in the lives of children with cancer.

Thank you, Wellsville!

NYSSMA Choral Majors

On Thursday, May 21, Wellsville High School's Chamber Choir participated in the New York State School Music Association Choral Majors festival. The audition-based choir was created this year in hopes to push the literacy level and challenge of repertoire beyond its previous limits. The choir performed for two certified evaluators; through which, they received valuable feedback and the opportunity to be recognized with honors. The Wellsville High School Chamber Choir received a Gold Award for their Level V performance. To be recognized with this honor, the ensemble must demonstrate an outstanding level of technical and artistic skill for their tone, intonation, balance,

technique, accuracy/execution, diction and interpretation. The last participation by a WHS vocal ensemble in this festival was more than a decade ago.

Music Fest 2015 at Darien Lake

On Saturday, May 23, Wellsville High School's Chamber Choir and Lion Chorale participated in Music Fest 2015 at Darien Lake. The competition featured performing ensembles from New York and its bordering states. The WHS vocal ensembles enjoyed performances from numerous marching bands and various park attractions until the early afternoon, when they got a chance to

perform their pieces for the judging panel. The Lion Chorale placed first in the Mixed Choir Division of the competition and received an evaluation score of "Outstanding with Distinction." The WHS Chamber Choir (*pictured ABOVE*) also placed first in the Chamber Choir Division of the competition and they also received an evaluation score of "Outstanding with Distinction." The Chamber Choir also received the Grand Judges Award, which is awarded to the Vocal Ensemble receiving the highest score for the entire day of competition. The Chamber Choir received a score of 99.1 out of 100 for their performance.

Both groups are pictured together inside on page 11.
