Hyslip Makes Big 30 Academic Team

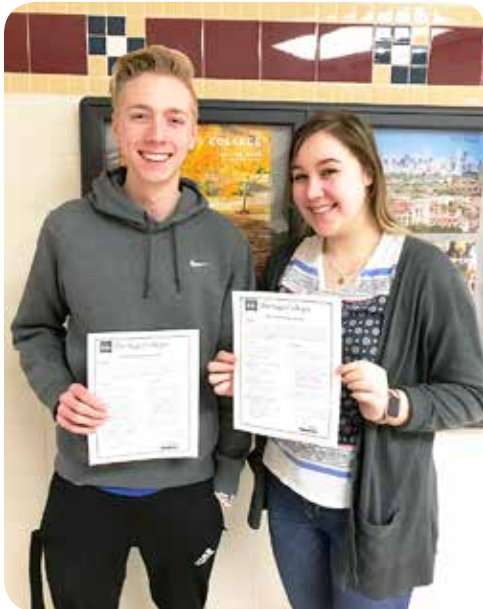

The Principal's Association, comprised of both New York and Pennsylvania schools that lie in what is termed the "Big 30 Area," has formulated a selection process that will allow each school to nominate a student to be a participant on the "Big 30 Academic Team." These students -- along with their parents, principals and superintendent -- are to be honored at an awards dinner. The dinner will be held on Monday, May 14, at the Old Library Restaurant in Olean, NY. We are proud to announce **Jaden Hyslip** (*at left*) has been chosen as the nominee for

the Wellsville Secondary School for the 2017-2018 school year.

The criteria for this award is based on academics, 90% (raw grades, courses studied and their difficulty, college entrance scores, and grade averages, on a scale of 100 being the best), and the other 10% is the student's involvement in and outside of school.

Jaden is a top academic student whose grades and college test scores are exemplary and who has received the highest accolades from her principal. Jaden is a positive contributor in school and in the community.

Sage Awards Announced

Ellie Davis and Braden Scott (*at bottom left*), Class of 2019, have been named the "Student Sage" from Wellsville Secondary School. The "Student Sage Award" enables high schools to honor juniors from their school community with this nomination. Recipients of the award will receive a "Student Sage" pin, a certificate of nomination, and an invitation to the Russell Sage College Student Sage Scholars' Reception during their senior year. Upon admission, the student nominees will be eligible for a scholarship to Russell Sage College.

Qualifying nominees are guaranteed a minimum of \$5,000 per year toward tuition at Russell Sage College or Sage College of Albany. In addition, all Student Sage applicants will be automatically reviewed for additional merit aid, bringing their possible total scholarship to \$10,000 per year.

Rochester Institute of Technology Award Nominees

RIT AWARD NOMINEES shown left to right are: Ryan Ludu, Marissa Tucker, Paige Palmer, and Seth Tinder.

Wellsville Secondary School will again be participating in RIT's High School Junior Awards Program. The Computing Medal and Scholarship Program and the Award for Creativity and Innovation not only recognizes outstanding high school juniors, but also highlights RIT's leadership in computing education, as well as its creative and innovative programs, in many other disciplines ranging from engineering, sciences, and business to design, photography, film and crafts.

Ryan Ludu and **Marissa Tucker**, Class of 2019, have been nominated for the Rochester Institute of Technology Computing Medal and Scholarship by Wellsville Secondary School Counselors and Administration. They have also nominated **Paige Palmer** and **Seth Tinder** to receive the RIT Creativity and Innovation Award.

Nominees for the awards program must rank in the top 10% of the junior class, demonstrate leadership in school and community, and be pursuing a rigorous college-preparatory curriculum.

Students selected to receive these awards are eligible for a \$28,000 scholarship (\$7,000 per year) if accepted and enroll at RIT. Students may use these scholarships to pursue any of the baccalaureate degree programs available at RIT.

WCS Mission Statement

"Our mission is to prepare our students to be successful, contributing members of their communities through excellence in education."

From the Wellsville BOE and Administration

Dear Residents,

The Wellsville Central School District’s mission statement continues to guide our budget decisions, *“to prepare our students to be successful, contributing members of their communities through excellence in education.”*

We strive to provide programs and services necessary for educating our students in a more competitive and challenging world. We believe we have accomplished this goal through a process that considers the growing needs of our students, as well as the ongoing financial challenges of our community and taxpayers.

As responsible stewards of public funds, we are proud to announce a **0.5 % decrease in the tax levy**. This is the second year we have proposed a decrease. The tax decrease is due to a budget reduction of 0.8% from last year, which was in large part due to refinancing a construction bond at a lower interest rate.

We are proud of our staff members who are dedicated to educating our children and ensuring their safety. We are grateful to a community that is supportive of our schools and students. We encourage you to be informed about the budget. Join us for our **public budget hearing on May 8, at 6 p.m.** in the Secondary School Room 212A, and please exercise your right to **vote on the budget** in the Wellsville Secondary School Lobby (river side entrance) **on May 15, 2018, between the hours of 7 a.m. and 9 p.m.** We also encourage you to contact the district office (596-2170) with any questions you may have regarding the Wellsville Central School District.

**University of Rochester
Award Nominees**

UNIVERSITY OF ROCHESTER AWARD NOMINEES pictured left to right are:
Alyssa Kear, Jana Whitehouse, Madison Bailey, and Quinn Burke.

Since 1933, the University of Rochester has maintained a tradition of helping high schools recognize their most talented students. The University of Rochester currently offers awards to recognize outstanding juniors in high school.

To be considered for these scholarships, students must first apply for admissions to the University. Upon application for admission, winners are automatically considered for the respective scholarship. The scholarship provides each qualified student \$7,500

to \$20,000 per year for four years. Selection for these scholarships is competitive and is based upon the overall strength of the student's application for admission.

The University of Rochester is proud to continue the tradition of the Bausch and Lomb Honorary Science Award, given each year to high school juniors who demonstrate exceptional promise in the sciences. Wellsville Secondary School's nominee to receive the Bausch & Lomb Honorary Science Award is Alyssa Kear.

Jana Whitehouse has been nominated by WSS to receive the University of Rochester's Humanities/Social Sciences Award. This award is named in honor of famous Rochester natives Frederick Douglass and Susan B. Anthony. The University is proud to continue the tradition of these pioneers through extensive research and study devoted to social justice and human rights.

Wellsville Secondary School's third nominee is Madison Bailey. Madison has been nominated for the George Eastman Young Leaders Award. Selection for this award is based upon strong leadership experience at school and in the community and extensive involvement in extracurricular activities.

Wellsville Secondary School's fourth and final nominee is Quinn Burke. Quinn is our nominee for the University of Rochester's Xerox Award for Innovation and Information Technology. The junior nominated for this award should demonstrate achievement in the pursuit of innovative approaches.
