

# Welcome, Kindergarten Families! save these dates

## Wednesday, July 31st

Kindergarten screenings - Each student will come in for 15 minutes for a brief screening assessment. Please check your email for a message from the sign up genius app to reserve your time.

## Thursday, Aug. 8th (3:30pm)

Open House - Kindergarten families will have a **special meeting in your child's classroom at 3:30pm**. You'll be able to see their classroom and hear important information about the Kindergarten year. Then you can tour the school on your own for our Open House event from 4:00-5:30, meet our PTO, and learn about community resources.

## First Days of School (Aug. 12th- 14th)

## Kindergarten staggered start days

In order for the first day of school to be more manageable for staff and more comfortable for students, we split the group in half for the first 2 days.

Kinder last names A-L only on August 12th (M-Z stays home)

Kinder last names M-Z only on August 13th (A-L stays home)

All kinder students attend together beginning on August 14th

# Car Rider Drop Off and Pick Up

Morning drop off begins at 7:45. All cars need to pull through the drop off loop. All traffic needs to flow in the same directions. All cars must turn LEFT into the parking lot on Essex. You can not drop your child off in the parking lot or on any side streets in the neighborhood.

K-2 student dismissal begins at 2:55.

Please follow all map directions. Cars can not turn right into the parking lot coming from Lakeview.

Please have your hang tag on the rearview mirror so our team can call your child's name. If you don't have a hang tag, you'll be asked to park and go inside to show your ID.

Pre K families remain in the line until approaching the front of the building, then they can pull around and up to the far front area to pick up their students.

# Biker / Walker drop off and pick up

Bikers and walkers that have permission to leave alone will be released at 2:55.

Students being met by an adult will be released next. Adults will need to present their walker tag to the staff member at the gate. Students will not be released without this card.

No walkers should be picked up in a vehicle. You are not allowed to park on side streets in the neighborhood and walk up to the gate. If you arrive in a car, you must use parent pick up.

No cars are allowed at the biker/walker area. All walkers must walk or bike all the way to and from school.

If you arrive in a car, you must use the car routes above.
