

4th Grade Non-Adopted Book List

Dear Parents/Guardians:

In accordance with HB 989, Instructional Materials, we are making available to you lists of assigned non-adopted books. Selections from the list below may be assigned to *fourth* grade students during this school year. By making this list available, you will have the opportunity to peruse the books if you wish. Should your child be assigned any book about which you might have a concern, an alternative assignment would be provided for him/or.

Please understand this is not to be confused with a suggested summer reading list for your child. We hope you will wait to let him/her read any of the books that might be assigned with his/her class. We also hope that you will find the list informative.

"The Sunshine State Young Readers Award (SSYRA) Program is a statewide reading motivational program for students in grades 3 through 8, in a collaborative effort between the Florida Association of Media in Education (FAME) and the Florida Department of Education (DOE). The purpose of the SSYRA Program is to encourage students to read independently for pleasure and to read books that are on, above, and below their reading level in order to improve their reading fluency. Sunshine State books are selected for their wide appeal, literary value, varied genres, curriculum connections, and/or multicultural representation. The SSYRA committee is comprised of 20 qualified school librarians located throughout the state of Florida, subdivided into two committees- grades 3-5 and grades 6-8." Our students are encouraged to read SSYRA books each year and are able to sign these books out of our Media Center. For a complete list of each year's selected books, please click on this link:
