NATIONAL HONOR SOCIETY (NHS)

Sponsor: Mr. Ben Penwell
Room: B209

Email: Ben.Penwell@yourcharlotteschools.net

The purpose of NHS is to create enthusiasm for scholarships, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools.

Membership is a privilege, offered only to those meeting specific criteria after completion of the first semester of their sophomore year. All students meeting the membership requirements are invited to join NHS. If you believe in the purposes of NHS, make sure to participate in activities that will allow you to meet all membership requirements during your freshman and sophomore years.
