

School Board of Charlotte County, Florida
School Board Meeting, January 8, 2019
RFQual 18/19-93GH

Intended Notice of Award*
RFQual 18/19-93GH
Energy Savings Training Program without equipment upgrades/installation

Background

We have completed the contract term of the original energy savings contract. As such, we issued a Request for Qualifications (RFQual) that was nationally broadcast.

The purpose of this RFQual was to select a company that can implement an energy savings training program to change individuals' behavior which will reduce consumption of energy and water. This program can be offered without equipment upgrades or installations. The District will pay no additional costs for this contract, including an on-site energy specialist. Energy cost savings will be shared on a 50/50 basis after specified adjustments.

A District evaluation team determined Cenergestic LLC's qualifications and proposal/contract offered the best value per the evaluation criteria set forth in the RFQual. Cenergestic LLC provided a successful energy savings training program to our District under its previous name, Energy Education.

Recommendation

Based upon this evaluation mentioned above, the Directors of Purchasing and Maintenance & Operations request the Board's approval to award a contract to Cenergestic LLC throughout its contract duration after review by the School Board Attorney.

Billy Williams, Director of Maintenance & Operations

Gregory Herlean, Director of Purchasing

*Failure to file a protest within the time prescribed in section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under chapter 120, Florida Statutes.
