Tech Tuesdays

- Leveraging Modules:** Join us virtually ([#23081](#)) or face-to-face ([#23082](#)) at the PDC for our next session on September 7, 4:30-5:30. Participants will learn how to create a flow within a course by organizing and structuring content with the Modules tool. Session attendees will explore how to create and manage content modules, leverage progress monitoring capabilities, and scaffold student access to course content.

Additional Support

- C & I Office Hours:** Connect with the Curriculum and Instruction Specialist for your content area to get additional support with textbooks and other curricular materials available in Canvas.
