Support Needed for Culinary Arts Class

Dear Parents and Guardians,

I hope this message finds you in good health and spirits. We are writing to inform you about a challenge our Culinary Arts program is currently facing. Due to large budget cuts to the program and inflation costs, our resources have become more limited this year.

We are committed to providing our students with the best possible culinary education, and your support can make a significant difference. Any donations, big or small, will be greatly appreciated. These contributions will be used to purchase high-quality ingredients, necessary equipment, and to maintain the quality of our program.

If you are able to contribute, you can either send cash, a check made out to LA Ainger Middle School with Culinary in the memo, go to the following link <https://yourcharlotteschools.revtrak.net/culinary-arts/> or scan the QR code below. Your generosity will directly impact our students' learning experience and it is greatly appreciated.

We understand that times are tough for everyone, and we appreciate any support you can offer. Thank you for being a valued part of our community.

Warm regards,

Angela Cicchella
