

2-D Studio Art I

Miss Thompson | taylor.thompson@yourcharlotteschools.net | room G119 | ext. 7094

Course Introduction

Students experiment with the media and techniques used to create a variety of two-dimensional (2-D) artworks through the development of skills in drawing, painting, printmaking, collage, and/or design. Students practice, sketch, and manipulate the structural elements of art to improve mark making and/or the organizational principles of design in a composition from observation, research, and/or imagination. . This course incorporates hands-on activities and consumption of art materials.

Optional: \$20 Art Donation

This donation helps cover the cost of materials such as acrylic/watercolor paint, paper, scratchboard, colored pencils, oil pastels, chalk pastels, rulers, scissors, glue, markers, charcoal, paintbrushes, and much more!

Contributions are voluntary and greatly appreciated as they give us the ability to provide different mediums and experiences for your student.
