

## Indian Boy Love Song (#2)

- A. What does the word *distant* imply in the poem? What does this tell us about the narrator's perspective?
- B. How does the word choice in the poem affect its tone?
- C. How does the repetition in the poem affect the meaning? Why are patterns important to the reader?
- D. How does the word choice in the final line give deeper meaning to the poem's previous lines?
