Learners Today ~ Leaders Tomorrow

Talking Time

by Joan Brown

Speech Language Pathologist

Why Take Laughter Seriously?

Usually teachers, parents, and, especially, guidance counselors are concerned about negative emotions—sadness, depression, anger. But in the Speech Room we also consider laughter and developing a sense of humor. We use laughter to help students socialize and engage with teachers and friends.

Knock-knock jokes, puns, word plays, riddles, and cartoon are used to encourage talking, thinking, explaining, and sharing. Students can expand their vocabulary, sentence structures, questions answering, speech sounds production, and explaining skills with activities centered around humor.

In Speech, we take laughter very seriously.

- October**
- 16—End of First Quarter
 - 19—No School (Teacher Workday)
 - 20—Picture Retake Day
 - 25—PTO/SAC Meeting @ 5:30pm
 - 25—Grandparent’s Group @ 6:30pm

Liberty Elementary

The Bully Program presented by School Resource Officers in Charlotte County is designed to help children know and understand the definition of bullying. This presentation teaches children what to do if they are being bullied or see someone being bullied. The program explains consequences for bullying and how to report

such actions. The goal is to help stop and eliminate bullying, thus creating a healthy environment for children to learn and enjoy their time in school.

MATH & MOVEMENT™

Math & Movement uses multi-sensory learning approaches to teach students valuable skills to succeed in their school's math and reading curricula. Math & Movement recognizes that students learn through different styles which is why our exercises include teaching with visual, auditory, and kinesthetic elements aligned with most state standards.

Grandparents RAISING Grandchildren

A gathering of grandparents to support and assist each other in the challenges and joys of raising their grandchildren.

**Meetings are the last
Thursday of each month:**

"remembering life through stories"

★ THE HALL OF YOUNG WORLD-CHANGERS ★

So what? We are putting Ponce de Leon life in order.

1462 Ponce de Leon was born in Rio.

1508 He moved to the island of San Juan Bautista which is now called Puerto Rico.

1509 He was named colonial governor of San Juan Bautista.

1512 King Ferdinand sent Ponce de Leon to explore an island north of Cuba to look for the fountain of youth.

1513 In 1513 Ponce de Leon landed on the east coast of Florida.

Where in the world is it? Place Africa.

Asia: A street, A bus, A state, A country, 1998, America, English, Hindi, etc.

Americas: A continent, A planet, A language, etc.

I can tell where in the world it is.

So what? There is a person living in Florida.

So what weather has 4 seasons? *Broden #1*

weather

| Spring | Summer | Fall | Winter |
|--------|--------|-------------|--------|
| rain | hot | windy | snow |
| grass | sunny | fall leaves | cold |
| more | storms | cooler | ice |

So why we can tell what season we are in by the weather.

I can represent multiplication in many ways.

9x9 = 81

2x9 = 18

2+2+2+2+2+2+2+2+2 = 18

I can use fact families to solve division.

So what: There are different strategies to solve multiplication problems.

groups: 4x4 = 16

repeated addition: 4+4+4+4 = 16

array: 4x4 = 16

number line: 4, 8, 12, 16

skip count: 4, 8, 12, 16

So why we will know what strategy to use for a problem.

Counting animals on the bus

| | | | | |
|----------|-----------|-----------|-----------|-----------|
| 1 | 2 | 3 | 4 | 5 |
| 1 animal | 2 animals | 3 animals | 4 animals | 5 animals |

Jordan Cruz

In the frame draw pictures of people that are important in your life. Label the pictures.

Favorite Foods: yellow rice, mango, pineapple

Places I like to go: beach, park

Activities I like to do: play with my best friend

My favorite color: Purple

My favorite animal: dog

My favorite place to live: 671 p. Palmerton

The Little School Bus

goat in a coat

pig in a wig

fox with socks

quick, quick chick

learn at school

sleepy sheep

squirmy worm

hairy bear

go back home

Prarion

So why? We use them those distance jobs in the sky.

Types of Telescopes

So what? There are three types of telescopes.

| Refracting | Radio | Reflecting |
|---------------|---------------------------------|---------------------------|
| uses lenses | collect and measure those waves | bright from using mirrors |
| Magnify light | | |

Is this a setting for Plaidypus Lost?

Yes: park, market, car on the road, post office, school, house, tree, mountain, river, lake, forest, field, garden, street, city, town, village, country, world.

No: battery, car, house, tree, mountain, river, lake, forest, field, garden, street, city, town, village, country, world.

Vocabulary: compass, rose, Mapmaker, Physical, Elevation, Political, A+las legends

Important info: Cartography

week 5 map skills

What is a cartographer?
